

The city of North Little Rock offices will open on June 1, 2020. (Laman Library, Community Centers, and the Patrick Hays Senior Center will remain closed until a later date.) We ask that citizens sign in when visiting city offices to assist with contact tracing if necessary. If you can conduct business over the phone you are encouraged to do so. If you have symptoms of COVID-19, we ask that you self-isolate until cleared by your physician. Masks are encouraged. Social distancing guidelines should be followed.

North Little Rock Courts Criminal opens up May 19 and Traffic opens up June 8. Masks are required. No guests are allowed.
