RE: **PUBLIC HEARING – WATER RATE SCHEDULE**

Dear Mayors Scott & Smith:

Central Arkansas Water (CAW) is required to hold a Public Hearing whenever it adopts new rates. The Board of Commissioners of Central Arkansas Water adopted Resolution 2019-15 on December 12, 2019 to establish rates for water customers within the Paron-Owensville Water Authority (the "POWA") service territory. We previously provided this same Resolution to the cities on February 6, 2020.

The objective of the Public Hearing is to share information with the POWA citizens/customers regarding the new rate schedule. Their water rates will be significantly higher than the rates charged to CAW customers living within the cities of Little Rock and North Little Rock. The meeting time, date, and location are as follows:

- Wednesday, May 13, 2020
  2:30 p.m.
  3rd floor Board Room, 221 East Capitol Avenue

If you have questions or would like to discuss the rate changes, please contact me at 377.1345 or Jeff Mascagni, Chief Financial Officer, at 377.1339.
