O-20- 100

ORDINANCE NO. _____

AN ORDINANCE WAIVING FORMAL BIDDING REQUIREMENTS AND AUTHORIZING PAYMENT TO AIR CLEANING TECHNOLOGIES INC. FOR THE TRANSFER AND INSTALLATION OF THE VEHICLE EXHAUST VENTILATION SYSTEM FROM THE CURRENT TO THE NEW FIRE STATION NO. 6; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES.

WHEREAS, Ark. Code Ann. § 14-58-303 requires City purchases exceeding the amount of $20,000 to follow statutory procedures of local advertisement and opening of sealed bids which may only be waived in exceptional situations where bidding is deemed not feasible or practical; and

WHEREAS, North Little Rock Fire Department ("NLRFD") is in the process of moving into a new Fire Station No. 6 and, in order to save on costs, will transfer a majority of the existing equipment from the current fire station; and

WHEREAS, the current vehicle exhaust ventilation system was sold and installed by Air Cleaning Technologies; and

WHEREAS, Air Cleaning Technologies Inc. is the only company that can transfer the system to the new station, and has provided an estimate of $20,400.00 (see Estimate attached hereto as Exhibit A); and

WHEREAS, it is not practical to expend funds for the cost of a new vehicle exhaust ventilation system, and it is in the City's best interests to waive bidding for the cost of the transfer and installation of the current system.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NORTH LITTLE ROCK, ARKANSAS:

SECTION 1: That formal bidding is hereby waived in connection with the transfer and installation of the vehicle exhaust ventilation system, and to pay Air Cleaning Technologies Inc. in the amount of $20,400.00.

SECTION 2: That the cost in the amount of $20,400.00 is hereby appropriated from the 2017 Sales Tax Fund.

SECTION 3: That all ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of the conflict.

SECTION 4: That the provisions of this Ordinance are hereby declared to be severable, and if any section, phrase or provision shall be declared or held invalid, such invalidity shall not affect the remainder of the sections, phrases or provisions.

SECTION 5: That it is hereby found and determined that it is in the best interest of the City of North Little Rock to waive formal bidding and to pay Air Cleaning Technologies Inc. for transfer and installation of the vehicle exhaust ventilation system and it is necessary for the immediate preservation of the public health, safety and welfare; THEREFORE, an emergency is hereby declared to exist, and this Ordinance shall be in full force and effect from and after its passage and approval.

Gentlemen,

Air Cleaning Technologies, Inc. is pleased to provide the following ***Turnkey Project* Proposal** for the materials and labor for the demolition and installation of the *Plymovent* Vehicle Exhaust Ventilation System at **the North Little Rock Fire Station #6**

SCOPE OF WORK

Provide all labor, materials, and equipment to install a Plymovent Vehicle Exhaust Removal System to remove both diesel and automotive exhaust gases and particulate of operating vehicles within the confines of specified fire station(s). All necessary controls, motors, fittings, ductwork, blower(s), labor and all other equipment and materials specified shall be part of the work and in accordance with the international mechanical code.

A. INCLUDED IN SCOPE OF WORK

- Remove existing Plymovent System, Model SBT-51-D, 3 HP Fan, Duct, and supports. at "Old" Station #6
- Re-Install Plymovent System, Model SBT-51-D, Fan, Hanging Supports, and Ducting at "New" Station #6. Existing Track will be Cleaned and New Safety Tape Attached.
- Add (1) Plymovent Sliding Balancer Track Assembly, Model SBT-51-D, with Magnetic Grabber, wireless transmitter, and pressure sensor.
- Electrical Control Panel

TOTAL TURNKEY PRICE FOR NORTH LITTLE ROCK FIRE STATION #6	**$20,400.00**

OPTIONAL REPLACEMENT OF EXISTING SBT-501-D SYSTEM HOSES ADD (The new system hoses will look different)	**$1,465.00**

ALSO INCLUDES

- Lot of Duct.
- Wireless Start System.
- Firefighter Training.
- System Start-up and Testing.
- Includes (1) Tailpipe Modification, if applicable.
- 5-Year Material and Workmanship Warranty.
- All Materials and Labor for Complete Mechanical Systems Installation in Accordance with the International Mechanical Code and Specifications.
- All workmanship, manufacturing procedures, airflow design and materials are Performance Guaranteed.

B. EXCLUSIONS FROM SCOPE OF WORK

- Seismic Engineering/Strapping.
- PE Stamped Structural Drawings.
- Electrical Wiring and Conduit.
- Cleaning of Existing System Except Where Noted
- Paint and Primer for Duct and Structural Supports, if applicable.
- Roof Penetration and Roof Seal for Fan Discharge to be provided by others, if applicable.

COMMERCIAL TERMS

- Freight Terms: Delivered to Site
- Proposal Valid: 60 Days
- Payment Terms: Upon Completion
- Installation Date: Est – January 2021
- Proposal Number: S02052020-01 Rev1
- Equipment Delivery: 4-5 Weeks

Thank you for the opportunity to work with you on this project. If you require additional information or have questions, please do not hesitate to contact me directly at 918-829-1767 or e-mail me at psmith@aircleaningtech.com.

Best regards,

Patrick Smith
