Mayor Smith,

Please accept my resignation from the Fit2Live Garden Advisory Committee as I end my term on the City Council. Thank you for letting me serve on this important committee as they monitor and direct funds for our community garden program. It has been a great pleasure to watch how our community gardens have impacted the city. I hope the new NLR administration will continue to see value in the program supporting and refreshing it as we head into the 2020's.

I have appreciated the opportunity to serve on this committee.

Sincerely,

Beth White
