Dear Mayor Hartwick;

February 9, 2020, Officer L. Petty conducted an exterior inspection at the above address. Her pictures show a number of housing code violations. Officer Petty issued notice to Mr. Carpenter to get the property into compliance.

February 10, 2021, Officer Ward Reese conducted another exterior inspection a year later at the above named address, the property remains in the same condition. The owner was issued a notice of City Council for May 24th 2021 City Council Hearing Date.

April 2021 Chris Carpenter called and stated that he would now obtain the necessary permits and get started on the rehab of the structure, he was granted additional time. His City Council hearing date was pushed back to August 23, 2021, which gave him an additional 4 months. To-Date the status of the structure is unchanged.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the August 23, 2021 Hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
