Dear Mayor Hartwick;

This property has been vacant since 1997 according to North Little Rock Utility Department. The property continues to be unsecured with evidence of vagrants living in the structure.

On May 3, 2021 Officer Ward Reese started an investigation into 5419 Chiquito Road due to the conditions of the property. The property's owner is deceased, Attorney Simmons Smith is the executor of the estate.

Officer Ward Reese conducted an exterior/interior inspection accompanied by Simmons Smith. The property has numerous housing code violations. The structure has a hole in the roof which has caused water damage throughout.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the August 23rd, 2021 Hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
