Lot 13 Block 25 Sub: Lakewood 3N

North Little Rock, AR

Dear Mayor Hartwick;

April 16, 2021 Officer Ward Reese responded to another complaint at 4916 Candlewick Lane. An exterior inspection of this property was conducted which showed broken windows, fascia and soffit rotting, a hole in the roof. This property has long been the source of complaints from neighbors and is in need of repair due to neglect from the owner.

Interior inspection was conducted along with Ms. Chenault, property has had flooding issues in the past, there is mold and mildew through-out the structure. Inspection also showed holes in walls and ceilings, utilities have been off since 2007.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the August 23, 2021 Hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
