Re: 1724 Parker Street
Lot 7-9 Block 2 Sub: Maloney
City of North Little Rock, AR

Owners: Cliff Jackson
North Little Rock, AR

Dear Mayor Hartwick;

April 13, 2021 after receiving complaints from neighbors regarding vacant structures not being maintained officer Ward Reese conducted an exterior inspection of the above property. The lot has three structures on it and all appear to be in a state of disrepair. This structure has been vacant since June of 2019. Structure is unsecured, interior shows a hole in the roof which has caused collapsing ceiling and walls.

We received a call from Mr. Cliff Jackson stating that he previously sold the properties the previous owner defaulted and he is now considering re-selling the properties and is currently looking for investors, he stated that he is also looking into demolition contractors. Mr. Jackson did demolished the fire damage structure prior to City Council. He was granted additional time for the remaining structures. He was advised that he needed the keep the properties secured and the grass cut.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the August 23rd 2021 Hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
