Re: 4412 Rogers Street
Lot 0 Block 54 Sub: Atkins John L. School
City of North Little Rock, AR

Owners: Rhonda K. Ramey
Balch Springs, TX

Dear Mayor Hartwick;

May 12, 2021 Officer Tim McEuen after receiving a complaint concerning the conditions of the property, conducted an exterior inspection and found the back door had been kicked in, causing the ability for entry. The ceiling could be seen collapsing and falling into the residence creating an unlivable condition. The Case file was forwarded to officer Ward Reese to notify owners and/or start Condemnation proceedings.

On May 17, 2021 Officer Ward Reese conducted an interior / exterior inspection of the above property, The property was posted with a Red Tagged notice stating the structure is considered to be unfit for human habitation. Notifications were mailed to owners of record. Code Enforcement has not received any response from owner and/or heirs of the property. The structure has been vacant since June of 2016 according to NLR Utilities.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the August 23, 2021 Hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Code Enforcement Supervisor
