RESOLUTION NO. _____

A RESOLUTION AMENDING THE STATEMENT OF AGREEMENT BETWEEN THE CITY OF NORTH LITTLE ROCK AND THE NORTH LITTLE ROCK POLICE DEPARTMENT SUPERVISORS ASSOCIATION TO GRANT ADDITIONAL CARRYOVER VACATION LEAVE; AND FOR OTHER PURPOSES.

WHEREAS, pursuant to Resolution No. 9935, adopted October 12, 2020, the City Council authorized the acceptance of a Statement of Agreement between the City of North Little Rock and the North Little Rock Police Department Supervisors Association ("Statement of Agreement"); and

WHEREAS, all uniformed police supervisors below the rank of Chief of Police have a maximum number of vacation hours that can be carried over from year to year pursuant to the provisions of the negotiated agreements between the City and the unions; and

WHEREAS, beginning approximately thirty-six months ago, the City and its residents faced multiple challenges, starting with the historic flooding that occurred in North Little Rock beginning in May 2019, followed by the public health crisis created by the Covid-19 pandemic that continues to date, protests that occurred across the country, including Central Arkansas, over the summer of 2020, and department vacancies; and

WHEREAS, as a result of the unusual and historic circumstances of the past thirty-six months, uniformed police officers have not been able to take the amount of vacation they would have otherwise taken and will forfeit vacation time at the end of the year because the accumulated vacation hours will exceed the carryover limits established by the union contracts;

WHEREAS, the City Council recognizes and is grateful for the dedication of the City's uniformed police officers and the outstanding manner in which the employees have responded to unprecedented circumstances; and

WHEREAS, the City Council has determined that accommodations should be made for uniformed police officers who would otherwise forfeit vacation hours as a result of an inability to take vacation due to job responsibilities related to the 2019 flood, the Covid-19 pandemic, and protests during 2020.
