North Little Rock, AR

Dear Mayor Hartwick;

On December 28, 2021, NLR Code Officer Timothy McEuen started an investigation into 910 Curtis Sykes Drive due to the conditions of the property. Officer McEuen conducted an exterior inspection, and it was determined that the structure is unsafe for human habitation.

During the inspection, Officer McEuen observed damaged roofing, soffit, fascia, and siding. Officer McEuen was contacted by the owner, Mr. Billy L. Eaton, whom said he intended to demo the structure. As of this date, no permits have been issued for a demolition. The property remains and has been in the same condition. According to NLR Electric Dept. this structure has been vacant since Sept of 2012.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the April 25th, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
