Dear Mayor Hartwick;

NLR Code Enforcement Officer Richard Ross requested the NLR Code Enforcement Condemnations Department inspect 214 S. Laurel Street due to the condition of the property.

On January 26th,2022, NLR Code Enforcement Officer Timothy McEuen performed an exterior inspection of the property. He discovered damaged siding, soffit, doors, windows, and roofing. The back door appeared to have been "kicked in", and damaged to the point it was just hanging by one hinge. The property was determined to be unsuitable for human habitation.

The Code Enforcement maintenance team was dispatched to secure, and board up the property. An interior inspection was performed to verify no one was inside the residence. Officer McEuen observed damaged walls, and ceiling throughout the residence. There was evidence that unknown persons (possibly the unsheltered) was using the vacant residence for shelter. The residence was cleared, boarded up, and secured.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the May 23rd, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Code Enforcement Officer
