Dear Mayor Hartwick;

On December 23, 2021, NLR Code Enforcement Officer Cedric Williams started an investigation into 617 Mills Street due to a fire at the property. Officer Cedric Williams conducted an exterior inspection and it was determined that the structure is unsafe for human habitation due to the extensive damage.

On January 26th, 2022, NLR Code Enforcement Officer Timothy McEuen began condemnation proceedings on the property due to it being in the same condition as when the investigation began. Half of the structure was destroyed. The owner will not contact our office, or respond to our letters, and all attempts by our office to reach them via telephone have been unsuccessful. .

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the May 23rd, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Code Enforcement Officer
