Re: 213 Crockett Street also known as: 219 Crockett Street
Lot: 4 Block: 66 Sub: Topf Sub
City of North Little Rock, AR

Owners: MacArthur Properties
North Little Rock, AR

Dear Mayor Hartwick;

On or around March 29th, 2022, North Little Rock Code Enforcement Officer Cedric Williams began a rental property inspection investigation into 219 Crockett Street He received a complaint regarding the living conditions of the property by the tenant. Officer Williams performed a voluntary inspection of the property via the tenant's permission. Officer Williams found there were valid issues of concern. Officer Williams notified the property owner, who in turn, said they do not have time to deal with the issues. The issues are justified enough to classify the property as a public nuisance and unfit for human habitation.

On June 3rd, 2022, Officer McEuen posted a *Notice of City Council* hearing on the property, and they were mailed out to all known owners and heirs. To date, the property is still in the same condition it was when the investigation began. Owner stated that he is in the process of trying to sell all properties.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the October 24th, 2022 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
