Re: 1709 Chandler Street
Lot: 6 Block: 2 Sub: Holts Industry
City of North Little Rock, AR

Dear Mayor Hartwick;

On October 11th, 2022, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 1709 Chandler due to observed conditions of the property. Officer McEuen verified the property was vacant so he performed an exterior inspection of the property. Officer McEuen observed major damage to the roofing, siding, soffit, and fascia. According to North Little Rock Electric Department utilities were last on Dec of 2018.
On October 27th, 2022, Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. T After no response from the owner an administrative search warrant was obtained for the purpose of an interior inspection, which showed to structure to be in a state of major disrepair.

The condemnation procedures were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the February 27th, 2023 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. This structure is considered to be unfit for human habitation.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
