Dear Mayor Hartwick;

On November 8, 2022, North Little Rock Code Enforcement Officer Gerome Chism began an investigation into 3626 Gum due to numerous complaints from neighbors regarding vagrants being in and out of the property continually. Officer McEuen performed an exterior inspection of the property. Officer Chism observed Gas meter missing, broken windows, backdoor removed and damage to the roofing system.

Supervisor Ward Reese made contact with the daughter and son of the owners of record, whom stated that the owners were deceased and they have no interest in the property. They conducted an interior inspection with Ward Reese, and made a request for the City to move forward with Condemnation and demolition of the structure.

The condemnation proceedings was started due to the condition of the structure. Owners and/or heirs and all interested parties were given notice of City Council for the March 27th, 2023 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
