Re: North Little Rock Police Officers

Dear Mayor Smith:

I have been practicing law for 35+ years and am currently defending a lawsuit that was brought against the Verizon Arena by an injured pedestrian. Because they were working the event at the time of the incident, the following North Little Rock police officers were recently deposed regarding this lawsuit:

- Kimberly Franciso
- Justin Cross
- Cordell Davis
- Randy Flippin
- Chauncey Sims
- Eric Stockman
- Vincent Thornton

I wanted to take a minute and express how impressed I was with these officers. They were all – each and every one of them – extremely professional (from their attire, to their ability to communicate, to their overall presence). They were articulate, knowledgeable, forthcoming, compassionate, and honest. Their dedication to the job and concern for citizens who attend arena events was apparent and overriding. They were, to say the least, a credit to North Little Rock and its police department and I was extremely proud to be associated with them. I have no idea what you or the Chief are doing to attract and retain such impressive officers but whatever it is, it is working.
