1. Jason Carter Attorney at Law, memorandum re: Risk Management Committee Quarterly Report (Q2, FY18).

Mr. Carter provided the City Council a summary of the Risk Management Committee Quarterly Report for the second quarter. The City generated revenue in the amount of \$26,468.00 through Financial Transmission Rights (FGR) transactions. Mr. Carter advised the City Council that recommendations for changes should be forthcoming from the Risk Management Committee to better assist with fluctuations in the market.

On the motion of Council Member Ross and seconded by Council Member Baxter, and by consent of all members present, communication #2 was not read, but was accepted and filed (8/0).

2. Joyce Brewer, North Little Rock Resident, email re: Recycling Price Rise.

On the motion of Council Member Witcher and seconded by Council Member Hight, and by consent of all members present, communication #3 was read, accepted and filed (8/0).

3. Mayor Smith, letter to City Council re: Approved Public Infrastructure Improvement Grant for First Orion Corporate Headquarters Job Expansion, 600 Main Building and Future Argenta Developments.

Mayor Smith commended Todd Larson, Economic Development Director, on his effort in aiding the City with the grant. Mayor Smith stated the grant saved the City almost \$900,000.00 to create a corridor on 6th Street. He explained the importance of investing in economic development and economic development executives to gain knowledge.

Mayor Smith provided an update from Scott Springer, North Little Rock Electric Department, regarding the weekend weather that caused power outages in Dixie, Indian Hills, and downtown Argenta. The cause was due to various animals in circuits.

Mayor Smith distributed an article to Council Members concerning an opinion on what is killing recycling.

Mayor Smith invited North Little Rock Fire Marshal John Pflasterer to come forward. Mr. Pflasterer introduced Mr. Deronda Bryant before the City Council. Mr. Bryant pulled a gentleman from an active burning structure to safety and tended to the victim while he instructed bystanders to call 911. Mr. Pflasterer commended Mr. Bryant on his act of heroism and presented him with a proclamation. Mayor Smith thanked Mr. Bryant for his bravery.

Mayor Smith announced citizen public comment on legislation. Ms. DeLynn Hearn spoke regarding R-18-186. The issue with recycling contamination is due to lack of education. Ms. Hearn felt residents prefer a list of what can or cannot be recycled to reference. She said Waste Management was not being effective and recommended penalties within the contract with Waste Management if they do not follow through on the terms. She would approve of rewards if Waste Management reached beyond their goals. Ms. Joyce Williams spoke regarding R-18-186. She is a resident of Ward 4 and advised she had spoken to Council Member Hight the previous week concerning this item. She did not mind paying to recycle, however she felt there was no benefit to recycling if Waste Management claims residents are not following procedures and the items end up in the landfill. Ms. Williams had no issues with designated areas in parking lots for recycling drop off if there was no fee being charged, but acknowledged parking lots could get messy. Ms. Williams feels like residents are doing Waste Management's job and would like for the City to look into the cost benefit to recycling.

R-18-186 (RESOLUTION NO. 9521 – MAYOR SMITH)

A RESOLUTION APPROVING THE PROPOSAL OF WASTE MANAGEMENT OF ARKANSAS, INC. TO RENEW CONTRACT FOR RESIDENTIAL RECYCLING CURBSIDE PICK-UP

SERVICES; AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO AN AGREEMENT BETWEEN THE REGIONAL RECYCLING AND WASTE REDUCTION

DISTRICT, CITY OF NORTH LITTLE ROCK, CITY OF LITTLE ROCK, CITY OF SHERWOOD AND WASTE MANAGEMENT OF ARKANSAS, INC. FOR RESIDENTIAL RECYCLING

CURBSIDE PICK-UP SERVICES; AND FOR OTHER PURPOSES, was read. Mayor Smith stated he has been negotiating the city's contract for recycling and referenced previous statements and concerns made during public comments. Mayor Smith focused on the numbers and concluded that

Waste Management recycles a large volume for the City. Thirty-one percent (31%) is being sent to the landfill due to contamination by residents, however sixty-seven percent (67%) is being recycled. If the contract is not renewed, it would take 200 full and compressed City garbage trucks (22,000 lbs -- which is equivalent to a month and a half worth of garbage), to deliver waste to the city's landfill.

Other options were explored, however they were not feasible or affordable. Mayor Smith said the City would work on lowering the contamination rate. Council Member Ross had an issue voting on a contract that the City has not seen yet. She proposed an amendment that would require the contract before a final vote. Council Member Ross highlighted portions of the 2014 contract that Waste Management hasn't followed through on. She wants to make sure the future contract has the same items. Waste management has failed to tag bins as stated in the 2014 contract along with numerous other items. Mayor Smith said one of the big changes in the new contract will be tagging bins. Waste Management will help the City with the problematic areas. There are three (3) neighborhoods that are not in compliance that will be focused on. Mayor Smith said efforts to educate the public is to ensure future recycling costs stay the same or possibly become lower. Council Member Ross said the input

she has received from residents is split in half. Some residents want to keep recycling, others want to do away with it. Council Member Ross then proposed an amendment that would ensure the contract come before City Council. Council Member Robinson asked if glass would cost additional money for the landfill since it would no longer be recyclable under the new contract. Mayor Smith said yes and that the City pays by the pound for dumping fees. On the motion of Council Member Ross and seconded by Council Member Witcher, and by consent of all members present, the resolution was amended as follows: *substitute copy provided this date (8/0)*. On the motion of Council Member Witcher and seconded by Council Member Hight, and the following members having voted no: Council Members Ross, White, Taylor and Robinson; and the following members having voted yes: Council Members Baxter, Harris, Hight, and Witcher; and the Mayor having voted yes, the resolution was adopted as amended (5/4).
