SPECIAL CALL O-17-77

AN ORDINANCE AMENDING CHAPTER 2 (ANIMAL CONTROL) OF THE NORTH LITTLE ROCK MUNICIPAL CODE REGARDING KEEPING OF HOGS, GOATS OR SHEEP UNDER CERTAIN CONDITIONS; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES, was read one time and held.

Mayor Smith unveiled the design for the new Downtown Plaza which is based on the oxbow lakes which were created by the Arkansas River on the eastern side of the city. The plaza will be the “front porch” of our city. He then presented a video illustration of the area and comments. Mayor Smith referenced an audio/visual component that will include a screen that will allow for seasonal changes, movies, etc. Mayor Smith also referenced the water features. A three story building will also be a part of the area, which would hopefully include a restaurant and other businesses. Grassy areas are to be raised to encourage sitting in the areas as opposed to just walking through the area and to maintain the integrity of the grass, which would be in the oxbow design. The goal is to break ground on the project after the first of the year with a grand opening by Christmas (2018). Mayor Smith said the public is encouraged to submit recommendations to name the plaza. Council Member Ross asked about funding. Mayor Smith said the city has set aside funds over the past five (5) years and will not use any of the funds from the new one-cent sales tax (that will go into effect January 1, 2018). Mayor Smith said the video that was shown is on the city’s website.

Mayor Smith announced citizen public comment on legislation. Mr. Ron Threlkeld who lives on Brown Drive spoke on behalf of residents in the area regarding O-17-74. There are about 20 homes in the neighborhood which are zoned R-1. The residents asked that the council not allow mobile homes in the area. Mr. Threlkeld described structures (residential) at the corner of Crystal Hill Road and Brown Drive. He described some of the concerns the neighbors have with regard to a mobile home and rental property, etc. This is a quiet, well-kept neighborhood. He asked the city council to consider the request of residents and oppose the special use request. Without objection, Mayor Smith pulled the legislation.

O-17-74

AN ORDINANCE RECLASSIFYING CERTAIN PROPERTY LOCATED AT 3815 CRYSTAL HILL ROAD IN THE CITY OF NORTH LITTLE ROCK, ARKANSAS FROM R-1 TO R-2 CLASSIFICATION BY AMENDING ORDINANCE NO. 7697 OF THE CITY OF NORTH LITTLE ROCK, ARKANSAS; GRANTING A SPECIAL USE TO ALLOW A MOBILE HOME IN AN R-2 ZONE; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES, was read. On the motion of Council Member Taylor and seconded by Council Member Ross, and by consent of all members present, the readings were suspended (8/0). On the motion of Council Member Taylor and seconded by Council Member Ross, and the roll having been called, and all members present, having voted no, the ordinance failed (0/8). (*applicant: A. J. Lewis*) Council Member Ross asked what the next step would be. Mr. Carter said the city will have to enforce the law. Mayor Smith said Code Enforcement will be involved.

Mayor Smith recessed the meeting briefly at 6:21 p.m. to allow those who were present on the legislation above to leave the council chambers.

Mayor Smith reconvened the meeting at 6:26 p.m.

There being no one else wishing to be heard in public comment, Mayor Smith called for unfinished business.

#### **PUBLIC COMMENT**

Mayor Smith introduced Mr. Shannon Carroll, who is a new member of the City Clerk/Treasurer staff. He will serve as Deputy City Clerk/Enforcement Officer and will be involved with Special and Conditional Uses and Business/Privilege Licensing issues.

Note: Council Member Taylor left the council chambers at 6:59 p.m.

Ms. Kristen Westmoreland said she is a dog groomer. She has extensive personal and professional experience with depression and anxiety. She referenced the benefits of pet ownership. She also discussed different dog breeds and their characteristics and the city's ban on Pit Bull breeds. She said any dog can bite and the ones that bite her most frequently are small breed dogs. Her customers are unable to bring their "bully" breed dogs in (North Little Rock) for grooming which affects her income. Breed Specific Laws (BSL) discriminate against service animals if they are members of the bully breed. Physical appearance should not be used to determine a dog's disposition or ability. Education is a better solution. She encouraged the council to repeal the BSL legislation. Ms. Jill Walker also spoke against BSL legislation which effects all dog lovers. She referenced various agencies and their findings regarding (Pit Bull) breeds. Dog owners should be held accountable for the actions of their dogs, regardless of the breed. A vicious dog ordinance would be a more effective way to keep our city safe. She is in the process of getting signatures of North Little Rock residents on petitions to be presented to the city council at a later date. Ms. Terri Lindsey lives in Vilonia. Ms. Lindsey said she was present to show support to her friends who are trying to repeal North Little Rock's BSL Ordinance. These people are good loving families and citizens. The current law is discriminatory. Ms. Lindsey said the American Bar Association has also urged a repeal of all BSL laws. Ms. Tamara Baker shared an experience that resulted in the loss of a family pet due to its resemblance to a Pit Bull.

The Animal Shelter allowed her to be present when her dog had to be euthanized. She also spoke against BSL legislation. Mr. Atticus Franke said he cannot imagine the pain of a child who lost their pet. People are taught to love unconditionally. A dog is a great example of this. Mr. Franke referenced a speech former President Barack Obama made regarding breed specific legislation in 2013. Dogs of any breeds can be dangerous if they are raised to be aggressive. Mr. Jake Perritt has been a resident of North Little Rock 12 years. He had a Pit Bull puppy when he purchased his home and was unaware of the breed ban. Former Mayor Patrick Henry Hays and Animal Control worked with his family so they could keep their pet. Mr. Perritt also spoke against BSL legislation. He encouraged responsible pet ownership as an option. Ms. Courtney Mixon also spoke against BSL legislation and referenced friends who had lost their pets and animals that were euthanized because of their breed. She said BSL legislation is ineffective and recommended vicious dog legislation. Mr. Guy Choate said he and his wife live in Ward 4, work in Ward 3, and own property in Wards 2 and 1. He spoke against BSL legislation and said dog breeds are not the problem. He referenced a dog owner who broke into the Animal Shelter to retrieve his dog before it was euthanized. The shelter director said the owner visited his dog every day. The owner should have figured out another option. He asked the council to represent him and his neighbors. Mr. Choate then read from a note provided to him by Ms. Mixon thanking the council for their time and referenced the petitions they are circulating. Mr. James Ard referenced concerns he brought to the council several months ago regarding J Hook (Wrecking). He spoke with the owner tonight who said he was unaware of the issue and invited him to come out and talk about the issue.

There being no further business to come before the Council, and on the motion of Council Member Witcher and seconded by Council Member Ross, and by consent of all members present, the meeting was adjourned at 7:25 p.m. (8/0), until the next regularly scheduled meeting which will be held on Monday, October 9, 2017, at six o'clock p.m. in the City Council Chambers in City Hall, located at 300 Main Street, North Little Rock, Arkansas.
