Dear Mr Ford,

Just wanted to take a minute to to offer my congrats on your upcoming retirement. And my best wishes for continued health.

I met you about 3 years ago when you personally helped me out with a sanitation issue at Ronnie Treats house when he died. I still appreciate the personal attention you afforded me.

We moved here 5 years ago from Nashville, TN when we retired. Having grown up in NLR here is where we wanted to come Nashville can't compare to the sanitation services here in NLR.

I salute you and your team on service that is second to none.

Best of luck in the future.

Dennis Terry
