Re: Appointment of Chief City Engineer

Dear Aldermen:

This communication is to inform you that I have appointed Chris Wilbourn, the current director the Traffic Department and former City Engineer, to the position of Chief City Engineer.

Mr. Wilbourn is a licensed professional engineer with many years of service. As director of the Traffic Department, he continued to assist the Chief Engineer with major projects. I have found his dedication to our City to be strong and his work excellent. I believe those of you who have worked closely with Chris share my opinions. I have set his annual salary as Chief City Engineer at \$90,000.

Thank you for your support.

Sincerely,

Joe A. Smith
Mayor
