

NOTICE OF PUBLIC HEARINGS AND FUNDING AVAILABILITY

Notice is hereby given that the City of North Little Rock anticipates applying for two categories of funding from the U.S. Department of Housing and Urban Development for FY2017, Community Development Block Grant (CDBG) and Home Investment Partnership (HOME) funds. The City will prepare a FY2017 Annual Action Plan.

In accordance with its Citizen Participation Plan, the City will conduct three community-wide public hearings to address housing and community development needs for the Annual Action Plan. The purpose of the hearings is to obtain the views and comments of individuals and organizations relative to the needs that may be addressed by CDBG and HOME funds. With the announcement of Notice of Funding Availability (NOFA) under CDBG, the public hearings are also scheduled to give citizens an opportunity to provide suggestions for proposed projects that may be eligible for funding under the Forty-Third Year (2017) CDBG Program.

If a non-profit organization plans to submit a request for a project, an application form with all required information must be completed. The Project Application Form may be obtained at the Community Development Agency (CDA), 116 Main Street, North Little Rock, AR, or by calling 501-340-5342. Completed Project Application Forms must be received at the above address no later than 4:00 p.m. on Friday, August 26, 2016.

All interested citizens are invited to attend the public hearings. Accommodations for hearing impaired persons, non-English speaking persons, and persons with disabilities will be made upon request. Contact CDA at 340-5342 at least 48 hours prior to the meeting date if any of these accommodations are needed.
