

The Place To Be in North Little Rock Patrick Henry Hays Senior Citizens Center

The Hays Center was opened in February, 2003 as an activity center for “seniors” living in the state of Arkansas. As the membership numbers (over 12,000) and activities have grown, so has the desire to rent the ballroom, gallery and meeting room for receptions, birthdays, anniversaries, conferences, meetings and seminars.

Adjacent to the ballroom is a fully equipped commercial size kitchen which can be added to the rental for an additional charge.

This kitchen may be used by the renter or a licensed caterer to prepare food for the event.

The ballroom is our most sought after rental space. This room has over 5,000 square feet of rental space. It can accommodate 328 people standing or seat 250 at round tables.

For smaller events, the ballroom can be divided to accommodate an average of 125 people seated at round tables.

Events can be scheduled for up to 8 hours. However, any decorating and all clean up must be included in this time period.

Audio/video equipment may be rented from the center for an additional charge.

The Hays Center Gallery has been a favorite for anniversaries and showers. This fully glassed in area brightens up the party with all the spring and summer blooms.

The Hays Center meeting room has over 1,400 square feet of space. This room can be set up in a classroom or workshop style. Electrical connections can be found in the floor along with a disappearing screen for use with audio/video presentations.

This room can accommodate approximately 50 people, depending on the set up of the room.
