Old Business

Airshow Report- Mr. Rogers thanks the commissioners who were able to make the airshow, and that he was really pleased with how it went. Mr. Rogers gives a quick recap of the airshow and lets the airshow coordinator Jerry Homelsey discuss the airshow budget and plans for next year. Mr. Blakey said he heard really good things about the airshow. Mr. Homelsey talks about some of the issues that arose and ways they will improve next year. The commission suggests Mr. Rogers write a thank you letter to the sponsors to hopefully get their support again next year. There is discussion on how the airshow disrupted airport users. Mr. Rogers says there were a couple of problems that he will make sure are handled better next year that involves better communication and coordinating. Mr. Rogers would like to come up with a fundraising system for the EAA and airport, to where Mr. Homelsey could be a more significant fundraiser. Mr. Rogers asks if there’s a way Mr. Homelsey can get a percentage of funds raised through the EAA. There is a discussion on the options and legality of this, and how that would need to be implemented. The commission recommends talking more about it with Paula Jones on what options would be. It depends on if it’s an EAA event that the airport assists on, or if it’s the NLR Airport’s show that the EAA helps on. Mr. Rogers says he’ll work with Mr. Homelsey and Ms. Jones on what the options are.
