Dear Mayor Hartwick;

August 2025, North Little Rock Code Enforcement Officer Cedric Williams began an investigation into 1731 Moss Street due to a fire the structure sustained severe fire damage. The structure was posted and notifications were mailed to all interested parties, RGB (receivership of the property) did secure the property however individuals continued to break into the structure.

On November 10st, 2025, North Little Rock Code Enforcement Officer Timothy McEuen was assigned the investigation for condemnation proceedings. Officer McEuen performed an exterior inspection to where he located an open/damaged window. Officer McEuen observed the interior was still in the same condition as when this investigation began, the residence is still in an uninhabitable state, and there have been no permits acquired to rehabilitate the structure. Officer McEuen posted a **Notice of City Council Hearing** on the property, and as of this date, has not been contacted by the owner or responsible parties.

The condemnation proceedings were initiated due to the uninhabitable condition of the structure. Owners and/or heirs and all interested parties were given a notice for the City Council hearing for February 9th, 2026. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. .

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
