Dear Mayor Hartwick;

On or around June 26th, 2025, North Little Rock Code Enforcement Officer Cedric Williams began an investigation into 1121 W. 24th Street due to the structure being damaged by fire. Officer Williams posted a "red tag notice" on the structure due to it being damaged to the point it was no longer fit for human habitation. Officer Williams mailed notification to all interested parties, but he was never contacted regarding this incident and repairs were never made. Officer Williams also observed an unsheltered woman living in the fire damaged structure.

On February 26th, 2026, North Little Rock Code Enforcement Officer Timothy McEuen was assigned the investigation for condemnation proceedings. Officer McEuen was familiar with the property due to public nuisance issues like unsheltered persons/squatters, and massive amounts of junk, trash, and clutter. The North Little Rock Code Enforcement property maintenance crews have been mowing the parcel. Officer McEuen observed there has been no work performed to rehab the structure and no permits have been acquired.

The condemnation proceedings were initiated due to the uninhabitable condition of the structure. Owners and/or heirs and all interested parties were given a notice for the City Council hearing for April 13th, 2026. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. .

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
