Re: 924 N. E Street
Lot: 24 Block: 17 Sub: Dixie Sub
City of North Little Rock, AR

Owners: New Dixie Enterprise LLC
Frisco, TX

Dear Mayor Hartwick;

On or around August 9th, 2024, North Little Rock Code Enforcement Officer Cedrick Williams began an investigation into 924 N. E Street due to the structure being damaged by fire. Officer Williams posted a "red tag" on the structure due to it being damaged to the point it was no longer fit for human habitation. Officer Williams sent notification to all know owners, but he was never contacted regarding this incident.

On October 15th, 2025, North Little Rock Code Enforcement Officer Timothy McEuen was assigned the investigation for condemnation proceedings. Officer McEuen performed an exterior inspection where he observed the same damage that was documents by Officer Williams. Officer McEuen found the structure unsecured/open to where he could see extensive damage to the interior verifying this structure was uninhabitable. Officer McEuen began the condemnation proceedings and sent notifications to all know owners or heirs.

In November of 2025, Officer McEuen made contact, via telephone, with a representative of the company that owns the structure. They acquired a permit for rehabbing the structure so Officer McEuen placed the City Council hearing aside at that time. On February 10th, 2026, Officer McEuen performed a follow up, and observed that there had been no work performed to remodel the structure so the condemnation proceedings was re-initiated.

The condemnation proceedings were initiated due to the uninhabitable condition of the structure. Owners and/or heirs and all interested parties were given a notice for the City Council hearing for April 13th, 2026. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. .

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Code Enforcement Officer
