300 Main Street
North Little Rock, Arkansas

The regular meeting of the North Little Rock City Council scheduled for Monday, March 10, 2014, was called to order at 6:00 p.m. by the honorable Mayor JOE A. SMITH. The roll having been called and the following Aldermen answered to their names: DEBI ROSS, BETH WHITE, LINDA ROBINSON, STEVE BAXTER, BRUCE FOUTCH, AND CHARLIE HIGHT (6/0). Aldermen MAURICE TAYLOR and MURRY WITCHER were attending the National League of Cities Conference in Washington, D.C. City Clerk Diane Whitbey and Assistant City Attorney Matt Fleming were also present.

The prayer was given by Pastor Tyrone Broomfield, Bethel AME Church, followed by the pledge of allegiance to the flag which was also led by Pastor Broomfield.

On the motion of Alderman Hight and seconded by Alderman Baxter, and by consent of all members present, the minutes of a regular council meeting held on Monday, February 24, 2014, were approved, accepted and filed as prepared by the City Clerk (6/0).

On the blanket motion of Alderman Baxter and seconded by Alderman Foutch, and by consent of all members present, communications #1, 2, and 3 were accepted and filed (6/0).

3. Hal C. Matthews, Argenta City Club Contribution Committee Chair – Annual Performance Report.

On the motion of Alderman Baxter and seconded by Alderman Hight, and by consent of all members present, communication #4 was read, accepted and filed (6/0).

4. Todd Larson, North Little Rock Economic Development letter to Mayor Smith re: (temporarily) relocating Argenta Downtown Council and Innovation HUB to space previously used by downtown branch of Laman Library (North Little Rock History Commission Building). This would allow SEAL Corporation to move to the location presently occupied by the Argenta Downtown Council and Innovation HUB.

Mayor Smith said the Library (branch) is relocating which will leave the space in the History Commission Building vacant for five to six months, until a decision is made (regarding use of the

space). By relocating the Argenta Downtown Council and Innovation HUB (Warwick Sabin and Donna Hardcastle) the space will be occupied and both agencies will pay rent and share (the cost of) utilities. SEAL Corporation which is currently located downtown will expand in their previous space and retain their 16 employees. Rent (for the History Commission space) would be \$1,000.00 a month while a decision is made regarding the History Commission. Alderwoman Ross would like to see the History Commission take over the entire building. Mr. Larson said the length of rental (by Argenta Downtown Council) could be three to six months. Alderwoman Ross requested the lease (rent) go to the History Commission. A place is needed downtown for visitors to see the history of North Little Rock. Mayor Smith referenced retail in all of the buildings downtown on their lower levels. Alderwoman Ross said not everyone wants to shop. This would provide something for everyone. Alderwoman Robinson asked if the decision about the use of the downstairs space would be open for discussion. Mayor Smith said it would. He has spoken with History Commission members Herman Shirley, Suzanne Clements Jackson and History Commission Director Sandra Taylor-Smith about a proposal.

Mayor Smith invited Mr. Jon Swanson, Director of MEMS (Metropolitan Emergency Medical Service) to the podium. Mr. Swanson provided an update to the City Council. MEMS is a public non-profit agency established in 1984. Mrs. Delois Sykes and Mr. Harrison Dean represent the city on the board of directors. MEMS provides ambulance service for over 500,000 Arkansans in Faulkner, Pulaski, Grant counties and the Cabot area. In North Little Rock, four ambulances are available 24/7. Additional units are also available as needed. Mr. Swanson discussed training, response, procedures, etc. including START team coverage – SORT (Hazmat support, swift water rescue / zodiac boats, urban search/rescue). MEMS works directly with the North Little Rock Police Department, provides advanced tactical medical training and deploys with the SWAT Team. In 2013, MEMS responded to 14,269 emergency calls. Average response time was less than six minutes. Mr. Swanson discussed the Medicare Fee Schedule and said approximately 60% of patients are covered by Medicare and Medicaid. Reimbursements rates are set by the government. All revenue is reinvested into the system. They continue to work on improving system efficiency and invests in clinical training and skills. In 2011, MEMS won a bid for the Arkansas Trauma Call Center which coordinates transport of seriously injured patients to the closest appropriate hospital. MEMS now has Hand Doctors on call 24/7 which allows treatment facilities to send photographs for an electronic consultation. Since January there have been two dozen cases which needed a consultation. This resulted in a difference in how each patient was treated and the outcome. Alderman Foutch asked the impact of the Affordable (Health) Care Act on collections. Mr. Swanson said people are shifting away from traditional insurance and deductibles. There is a potential impact but at this time he couldn't say.

Mayor Smith announced citizen public comment on legislation. Mr. Jim Ard spoke in support of O-14-24 and asked for council support. Mr. Steve Whiting spoke regarding O-14-18. He was unable to access the agenda item online. Several people signed in to speak regarding O-14-23. Mayor Smith received several emails and telephone calls regarding the same. This legislation would do away with

the extension possibility included in the Master Street Plan for Donovan Briley. Mayor Smith asked if anyone present was for keeping the extension in the Master Street Plan. There being none, and without objection, the legislation was called.

O-14-23 (ORDINANCE NO. 8616 – ALDERMAN BAXTER)

AN ORDINANCE AMENDING THE MASTER STREET PLAN (ORDINANCE No. 8601) TO REMOVE THE PROPOSED COLLECTOR FROM MACARTHUR DRIVE TO DONOVAN BRILEY BOULEVARD IN THE CITY OF NORTH LITTLE ROCK, ARKANSAS; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES, was read. On the motion of Alderman Baxter and seconded by Alderman Foutch, and by consent of all members present, the rules were suspended and the ordinance was placed on its second reading (6/0). UNFINISHED BUSINESS

O-14-18

AN ORDINANCE AMENDING SECTION 1.4.1 OF CHAPTER 9 (PARKING REGULATIONS) OF THE NORTH LITTLE ROCK MUNICIPAL CODE TO REVIEW THE DEFINITION OF PARKING SURFACES AS IT APPLIES TO PROPERTY OWNERS IN RESTRICTED PARKING DISTRICTS; DECLARING AN EMERGENCY; AND FOR OTHER PURPOSES, was read three times February 24, 2014, was read. Mr. Fleming, Alderwoman Ross and Alderman Hight discussed an amendment to certain aspects of the legislation. Unless a parking surface is a paver, concrete or asphalt, it is not considered an acceptable parking surface. This amendment would allow the current owner of the property who has gravel or similar aggregate driveway (at this time) and meets specifications, to keep said driveway until such time that the property transfers ownership. Alderwoman Ross said this would only allow gravel driveways that were already in a restricted parking district before the district was formed. Alderwoman Robinson said Neighborhood Services has inventoried gravel drives in the Park Hill Restricted District. The result was that 6% of driveways in the Park Hill Restricted Parking District are gravel. Mayor Smith asked how a future property owner would know about a restricted parking district and requirements. Alderman Hight said gravel drives are non-compliant. Tickets could be written or grandfather existing properties. Alderwoman Robinson said this could affect a person's ability to sell their home. She suggested notifying those residents with gravel driveways and the need to disclose this information to a buyer. Alderman Hight said the issue is more prevalent in Park Hill than in Indian Hills or Overbrook. Alderman Foutch asked that any previously issued

citations be withdrawn if this legislation is adopted. Alderwoman White asked how the city could mandate this. Mayor Smith said a certified letter could be sent advising property owners. Mr. Fleming said when an ordinance is adopted and published it is considered notification to the public. Alderwoman Robinson suggested grandfathering all of the properties. Alderman Hight recommended amending the proposed amendment by removing the reference to an exception until the property title is transferred. Alderman Ross suggested changing the wording to indicate only until “improvements are made to the current drive”. Mr. Robert Voyles, Planning Director said a driveway has to be paved to the front corner of the house (or only in the front yard). Alderwoman Ross then held the legislation.
