PUBLIC COMMENT

Mr. James Humphrey presented a petition requesting the City Council provide sewer services on Holt Road. The sewer line is needed for residents to get rid of sewer waste in the best and safest way. Holt Road is a short road with three (3) residences. 6505 and 6509 Holt Road have city sewer services. 6601 Holt Road does not have city sewer services. This isn't fair for some residences to have services and not others. The Arkansas Health Department tested soil in the area. Extension of the sewer line will improve the health environment for residents in the area. This would be a Capital Improvement Project. Mr. Humphrey said this item has been before the city council for five (5) years. The request has been denied for lack of funding. He said funds could come from the 2017 Local Sales and Use Tax proceeds. He is a tax paying resident of the city and requested that his portion of the sales tax funds be used to fund this project. Mr. Humphrey presented the following cost estimates: 1. - \$40,000.00; 2. - \$75,000.00; 3. - \$108,241.10; and 4. - \$350,000.00 to \$600,000.00. Mr. Humphrey referenced a 2014 itemized estimate and added Public Safety is the council's first priority. However, environmental protection is also a concern and said safe sewer service is important. Mr. Humphrey then requested the city council fund the project 950' further down Holt Road. Council Member Ross asked if the itemized estimate was from North Little Rock Waste Water. Mr. Humphrey said it was from Council Member Taylor. Council Member Ross asked how many houses would be provided services. Mr. Humphrey said 6 – 8. Mr. Shelley York lives in the area. He supports the Holt Road project and said it would benefit the residents. Council Member Robinson asked about advertising signs placed around the city regarding *Purchase Diabetic Strips, We Buy Houses, Burial Insurance*, etc., specifically, do the businesses have to have a city business license in order to advertise or do business in the city. Ms. Whitbey said anyone doing business in the city is required to have a business license. Regarding the signs, Ms. Whitbey referred the question to the City Attorney. City Attorney Fields said she is working on a draft to the sign ordinance and may have it to the council by the end of the year. She referenced the First Amendment and court interpretation. Council Member Robinson said there have been issues in the past at (election) polling sites where signs have been left after the election. People should pick up their signs. Mayor Smith said council members are able to participate in the Employee Cafeteria Plan and referenced a form they were provided. The Northern Lights Festival will be held November 30, 2019, which will include Santa Claus, Christmas Tree Lighting and Fireworks. More information will be provided. There is a lot of parking within a five minute walk of

the venue. Council Member White asked if there would be a fee for parking. Mayor Smith said the city would not charge for city lots.

There being no further business to come before the Council, and on the motion of Council Member Ross and seconded by Council Member Baxter, and by consent of all members present, the meeting was adjourned at 6:27 p.m. (7/0), until the next regularly scheduled meeting to be held on Monday, November 25, 2019, at six o'clock p.m. in the City Council Chambers in City Hall, located at 300 Main Street, North Little Rock, Arkansas.
