New Business

Lease Transfer/Release for David Bunning and Charles Caldwell: Mr. Rogers informs the commission that these two tenants have a lease together, and David Bunning is moving and would like his name off the lease. Charles Caldwell would like to continue leasing the hangar, and is fine with being the only name on the lease. There is general discussion on what the right document to accomplish this is. Mr. Halter says a release makes more sense than an assignment. Mr. Julian moves to allow the release of David Bunning from the lease, Mr. Hughes seconds. The motion carries unanimously. Mr. Rogers says he will get the paper work drawn up and signed.
