NORTH LITTLE ROCK WASTEWATER TREATMENT COMMITTEE

MINUTES OF A MEETING HELD TUESDAY, NOVEMBER 14, 2017

A meeting of the North Little Rock Wastewater Treatment Committee was held on Tuesday, November 14, 2017 at the administrative offices located at the Faulkner Lake Treatment Plant.

The meeting was called to order by Chairman Matthews at approximately 12:15 p.m. Those in attendance at the meeting were Mr. K.W. Matthews, Mr. Ed Nelson, Mr. Clark McGlothlin and Ms. Karen Bryant, and in addition, Mayor Mike Watson from the City of Maumelle and Mr. Jack Stowe and Ms. Judy Keller, representatives from the City of Maumelle. Also in attendance were Mr. Marc Wilkins, Director, Ms. Gina Briley, Mr. Charles Frost, Mr. Ronnie Thompson, Mr. Michael Clayton, Mr. Mark Halter with Hilburn, Calhoun, Harper, Pruniski & Calhoun, Ltd. and Dawn Harmon.

First, the Committee reviewed the minutes of its October 10, 2017 meeting. A motion was made by Mr. McGlothlin, seconded by Ms. Bryant, to approve the minutes of the October 10, 2017 meeting. A motion was then made by Mr. Nelson to amend the minutes of the October 10, 2017 meeting whereby the second paragraph on page 2 would read as follows:

Mr. Nelson then advised the Committee that the Retirement Committee of the North Little Rock Wastewater Utility met on September 26, 2017. The July 1, 2017 actuarial valuation report provided by Mr. Jody Carreiro of Osborn, Carreiro & Associates, Inc., suggested a contribution of \$702,970.00. Mr. Nelson advised that the actual rate of return on investments for this past fiscal year was approximately 8.6% as of June 30, 2017 which is above average for public entities. The actual rate of return for fiscal year 2016 was 4.9%. Additionally, it was noted that the Retirement Committee changed the assumed rate of return from 7.5% to 6.5%. It was noted that the Utility had budgeted \$705,300.00 as the contribution for 2017. Therefore, the Retirement Committee voted to recommend that the North Little Rock Wastewater Treatment Committee authorize a contribution of \$702,970.00. After further discussion, a motion was made by Ms. Bryant, seconded by Mr. Nelson, to authorize a contribution in the amount of \$702,970.00 to the North Little Rock Wastewater Utility Defined Benefit Pension Plan and Trust by January 1, 2018. The motion carried unanimously.

The motion to amend was seconded by Ms. Bryant and carried unanimously. The motion to approve the minutes as amended also carried unanimously.

Next, the Committee reviewed the cash disbursements for October 2017. A motion was made by Mr. Nelson, seconded by Ms. Bryant to approve the cash disbursements for October 2017 reflecting total cash disbursements of \$4,995,655.38 and transfers between accounts of \$2,088,266.67. The motion carried unanimously.

The Committee then reviewed the Financial Statement for October 2017. Mr. Nelson noted that the Utility was having a much better year financially without all the emergency repairs it experienced last year. Upon motion made by Mr. Nelson, seconded by Mr. McGlothlin, the Committee unanimously approved the Financial Statement for October 2017.

Mr. Wilkins then advised the Committee that the bids were received for the Maumelle Wastewater Treatment Plant Lagoon Biosolids Removal and Land Application Project on Wednesday, October 18, 2017. The project consists of the removal of biosolids from the south lagoon and land application of the biosolids at an approved site. The low bid was submitted by Denali Water Solutions, LLC of Russellville, Arkansas in the amount of \$328,155.54. The agreements approving the transfer of the wastewater assets of MWM permitted the Utility to assess a surcharge to Maumelle customers for this cost. Initially, this project will be paid for from the Utility's Biosolids Reserve Fund which has a current balance of \$1,210,000.00. To reimburse the Utility for the payment of this project, there was a discussion as to a surcharge of \$0.90 per month being applied to each MWM Wastewater account for the cost of removing the solids from the south lagoon, plus simple interest at a rate of 3.5% per annum. Mr. Wilkins added that he had discussed with Mayor Watson a different surcharge for commercial and industry customers. After much discussion, a motion was made by Mr. Nelson, seconded by Ms. Bryant, to authorize the staff to award the contract for the Maumelle Wastewater Treatment Plant Lagoon Biosolids Removal and Land Application Project to Denali Water Solutions, LLC of Russellville, Arkansas in the amount of \$328,155.54. The motion carried unanimously. Additionally, a motion was made by Mr. Nelson, seconded by Ms. Bryant, to assess a \$0.90 surcharge for MWM Wastewater residential customers and to calculate the proper amount for the surcharge to be implemented for commercial and industry customers based on average usage, but waive the surcharge fee until the Central Arkansas Water fee goes off or six (6) months, whichever is sooner. The motion carried unanimously.

The Collections Systems currently maintains one excavator for each repair crew. The oldest excavator is a 2006 Kubota KX121-R3TA with 4,724 hours that will soon be in need of costly repairs. The staff wishes to replace this machine with a new Kubota KX808-4R3A, which is slightly larger and able to better and more safely handle manholes and other large items. This excavator is available through the Houston-Galveston Area Cooperative in the amount of \$87,141.32. The 2017 Budget includes \$61,000.00 for this item. A motion was made by Mr. McGlothlin, seconded by Mr. Nelson, to authorize the staff to purchase a Kubota KX808-4R3A through Houston-Galveston Area Cooperative in the amount of \$87,141.32. The motion carried unanimously.

Mr. Wilkins then advised the Committee that while JR Fox was making a deep repair on valves at the Faulkner Lake Plant site, water was coming in around the 60-inch pipeline. Once the repair was complete, the plant was shut down for inspection. During the inspection, it was discovered that the joint was leaking. Since JR Fox was familiar with the site, the Utility asked them for a quote on excavating the site and making the repair. The Utility received a quote from JR Fox in the sum of \$19,045.00 to incase the line in concrete and make the repair. A motion was made by Mr. Nelson, seconded by Ms. Bryant, to authorize the Utility to contract with JR Fox to repair the 60-inch pipe at the Faulkner Lake Plant site. The motion carried unanimously.

A motion was made by Ms. Bryant, seconded by Mr. McGlothlin, to excuse the absence of Mr. Smith from the meeting. The motion carried unanimously.

Mr. Matthews then asked that the Committee go into Executive Session.

At the conclusion of Executive Session it was announced that no action was taken by the Committee.

There being no further action to come before the Committee, a motion was made by Mr. Nelson, to adjourn the meeting. The motion carried unanimously, and the meeting was adjourned at approximately 12:47 p.m.

APPROVED AS TO FORM:

RESPECTFULLY SUBMITTED,

K. W. MATTHEWS, CHAIRMAN

SYLVESTER SMITH,
VICE-CHAIRMAN/SECRETARY

MUNICIPAL HEALTH BENEFIT FUND

The Utility has received a participation agreement from the Municipal Health Benefit Fund for the employee health insurance coverage. We offer health, dental and vision insurance to our employees and their qualified dependents. The Utility pays 100 percent of the employee coverage and 75 percent of the dependent coverage. Our monthly premiums will increase from \$405 to \$448 for employee only coverage and from \$900 to \$992.50 for family coverage effective 1/1/18. Before this increase, the monthly premiums have been the same since July 1, 2010. The 2018 draft budget includes this increase. The Utility's total expense for health insurance coverage is estimated to be \$847,200 for 2018 based on budgeted employees and coverage. Municipal is updating their records and needs a current participation agreement on file for us.

ACTION REQUESTED:

Authorize the Utility to enter into the participation agreement with the Municipal Health Benefit Fund.

**PARTICIPATION AGREEMENT
IN THE
MUNICIPAL HEALTH BENEFIT FUND**

THIS AGREEMENT, entered into this 12th day of December, 2017, effective as of January 1, 2018 (hereinafter called the “Effective Date”) by and between the NLR Wastewater Treatment Committee (“**WTC**”) and the Municipal Health Benefit Fund (the “**Fund**”).

WITNESSETH

WHEREAS, the Fund is a multi-employer, self-funded trust fund created by Declaration of Trust dated November 16, 1981, as amended (the “**Declaration of Trust**”), to provide health and welfare benefits to employees of participating municipalities and other governmental entities who are members of the Arkansas Municipal League; and

WHEREAS, the WTC wishes to continue being a Participating Employer in the Fund to provide health and welfare benefits to its eligible Employees; and

WHEREAS, by virtue of the authority granted to it in the Declaration of Trust, the Fund agrees to continue to accept the WTC as a Participating Employer in the Fund.

NOW, THEREFORE, for and in consideration of the promises and of the mutual covenants herein contained, the parties hereby agree as follows:

1. Beginning on the Effective Date, the WTC agrees to continue being a Participating Employer in the Fund and to make payments to the Fund on behalf of its eligible Employees to provide the following benefits for the following premium amounts:

Medical Coverage

- \$500 Deductible
- \$1,200 Deductible
- \$2,000 Deductible

Dental Coverage

Vision Coverage

Life Insurance

Disability Income Benefits

- Option A
- Option B

2. By execution of this Participation Agreement, the WTC adopts and agrees to be bound by all of the terms and provisions of the Fund, as amended from time to time. The WTC

MUNICIPAL HEALTH BENEFIT FUND
PARTICIPATION AGREEMENT

further agrees to timely make all required premium payments to the Fund in accordance with the Fund's procedures.

3. The WTC acknowledges receipt of the proposal dated December 12, 2017. In accordance with the eligibility provision outlined in the proposal, the WTC hereby certifies and agrees that it will at all times while a Participating Employer in the Fund comply with the Eligibility Requirements of the Fund as set forth in Exhibit A attached hereto and incorporated herein. The WTC acknowledges that its participation in the Fund is contingent upon its compliance with the Eligibility Requirements.
4. By signature below, the WTC agrees to and does become a party to the Fund as a Participating Employer. The WTC hereby acknowledges receipt of a copy of the Declaration of Trust and the Municipal Health Benefit Fund Booklet.
5. By execution of the Participation Agreement by the Plan Administrator, the Fund accepts the WTC as a party to the Fund pursuant to the authority vested in the Plan Administrator by the Declaration of Trust. The Fund agrees to receive the WTC's premiums and to hold, administer and invest such funds and to pay claims to Employees in accordance with the terms and provisions of the Fund, as amended from time to time.
6. The terms of the Fund as in effect from time to time, shall fully apply to the WTC as of the Effective Date, with the imposition of any additional terms or conditions set forth in this Agreement.
7. The WTC acknowledges that, pursuant to the Declaration of Trust, the Fund may be terminated by giving written notice to member cities and other public entities at their regular business addresses. Pursuant to the Fund Booklet, the Fund agrees to provide such written notice by regular mail sixty (60) days prior to termination. The Fund's Trustees may also amend the terms of the Fund. It is the responsibility of the WTC to notify its Employees of any amendments or changes to the Fund.
8. All capitalized terms used in this Participation Agreement and all Exhibits hereto shall have the same meanings given to them in the Municipal Health Benefit Fund Booklet, unless otherwise defined in this Agreement.

IN WITNESS WHEREOF, the parties have caused this Participation Agreement to be executed on their behalf on the date first written above.

ELIGIBILITY REQUIREMENTS

Since all eligible employees must be offered coverage, the WTC's participation in the Fund is expressly contingent upon the WTC's continued compliance with the following Eligibility Requirements:

The Eligible Class of employees who may be Covered under the Fund includes all employees of the WTC in any of the following classes. The WTC **must** include employees in Class 5, and **may elect** to include employees in the other classes, as part of the Eligible Class.

Class 1 – Active elected officials

Class 2 – Members of boards and commissions

Class 3 – Volunteer firefighters (See below for further details)

Class 4 – Auxiliary police

Class 5- All full-time active employees of the WTC who work at least thirty (30) hours per week.

Class 6 – Retired members age 55 or over (See Retiree Coverage for further details)

For each class to which it offers benefits, the WTC must meet the following criteria:

1. All eligible Employees have been offered Coverage, and
2. A list of all eligible Employees accepting Coverage has been submitted to the Fund, during an Open Enrollment Period and/or in the event of a Change of Status Event such as new hire, birth of a child, or divorce; and
3. Seventy-five (75%) percent of all eligible Employees elect Coverage under the Fund, and
4. A list of all eligible Employees opting out of Coverage, along with proof of Coverage through a Spouse, Medicare and/or another carrier has been submitted to the Fund during an Open Enrollment Period or at the time of qualifying Change of Status Event.

Volunteer Firefighters (Class 3)—to qualify for Coverage under the Fund, volunteer firefighters must actively participate in more than:

- 50 percent of fire calls.
- 50 percent of training sessions.
- Verification of participation must be certified in writing under penalty of perjury by the Fire Chief.
- Certification must be submitted to the Fund each year on or before December 31.

MUNICIPAL HEALTH BENEFIT FUND PARTICIPATION AGREEMENT

If the WTC offers Coverage to any of the Classes 1 through 4, then the Coverage must be offered to all members of the class. When Coverage is offered to a class, the WTC shall require all members of that class to sign up for the Coverage or submit a refusal form. A minimum of seventy-five percent (75%) of classes 2, 3 and 4 must sign up for Coverage, or none of the class may be Covered. Those persons in Classes 2, 3 and 4 who are eligible for Medicare are excluded from the seventy-five percent (75%). The WTC must maintain Coverage on seventy-five percent (75%) of each participating class (2, 3, 4 or 5) for Coverage to continue.

The WTC must offer medical Coverage to all eligible Employees working thirty (30) hours or more a week and must ensure that the Employee's share of the premium is affordable. The WTC may use one of three "safe harbors" allowed by IRS regulation to determine affordability. The W-2 wages safe harbor is most frequently used. It is satisfied if the WTC ensures that the Employee's share of the premium does not exceed 9.5 percent of the Employee's current W-2 wages for the cost of employee only (single) coverage for full-time active employees. Other safe harbors are (1) the rate of pay safe harbor, and (2) the federal poverty line safe harbor. If the WTC meets the requirements of the safe harbor, the offer of coverage is deemed affordable for purposes of Code section 4980H(b) regardless of whether it is affordable to the Employee under section 36B of the Code.

Medicare. Classes 1 through 4 are not eligible for the medical Coverage provided under the Fund if they are eligible for Medicare.

Active elected officials (Class 1) who are on Medicare are eligible for dental, vision, drug card and hearing aid Coverage. However, enrollment in all parts of Medicare, Parts A, B and D, is required for active elected officials (Class 1) choosing to continue Coverage under the dental, vision, drug card and hearing aid Coverage benefits. However, seventy-five percent (75%) of each participating class (2, 3, 4 or 5) must participate for Coverage to continue.
