ADDENDUM

To: Prospective Bidders
From: Brian L. Vines
Email: bvines@halff.com
Subject: Addendum No. 2

Date: 11/10/2020
AVO: 36155.001
Project: CNLR Project Number 20-3670
Mission road Street and Drainage
Improvements

The following is a list of changes made to the plans and specifications. The changes are outlined by item number, as well as plan sheet number.

Drawings:

Sheet C4 – Revised typical section on sheet C4 (Removed 3" overlay note)

Sheet C8 & C9 – Removed notes referring to iron fence relocation. Plans have been adjusted to minimize impacts along the west side to the existing tree line, fencing and rock embankment.

Specifications:

ITEM 1. Project Manual – Bid Form:
Revised quantity for Item 4 – Topsoil (820 CY)
Added Item No. 7A – Cold Milling Asphalt Pavement to bid form (716 CY)
Revised quantity for Item 12 Wing 4' Extension (2 EA)
Added Item No. 7A Item description to Measurement and Payment Section
Revised Item No 20 – Street Traffic Striping description
