

REQUEST FOR PROPOSALS

RADIOS AND OTHER COMMUNICATION EQUIPMENT MAINTENANCE CITY OF NORTH LITTLE ROCK, ARKANSAS

Mary Beth Bowman
Director of Commerce
120 Main Street
North Little Rock, Arkansas 72114
501-975-8880

NUMBER RFP: 19-3622 DATE ISSUED: October 4, 2019

DATE AND TIME RFP OPENING: Monday, October 21, 2019 @ 10:00 A.M.

Addendum #1

1. Regarding Item 4.0 Specifications/Requirements: 4.1 – Could the Successful Vendor be a Motorola Authorized Warranty Repair Center? **Yes, an authorized Motorola Warranty Center meets the requirement to be an authorized service center.**

2 Regarding item 4.0 Specifications/Requirements: 4.1.2 - Could the Vendor be in the process of requesting authorization by AWIN to program AWIN radios based on Technical Expertise, a Motorola Authorized Warranty Repair Center, and the potential award of this RFP? **Yes. The vendor should have the authorization or something from AWIN indicating the authorization is in progress prior to award.**

3 Regarding Item 4.0 Specifications/Requirements: 4.2 – Will the Successful Vendor need to purchase the NICE Maintenance Support Package, or will the City of North Little Rock purchase the NICE Maintenance Support Package and the Successful Vendor provide the Technical Labor? **The intent is to obtain pricing for that item for the purpose of evaluating the cost benefit of the responses. If a vendor does not desire to obtain the support package, the vendor should indicate that in their response. If the successful vendor does not provide the support package, the city will seek pricing directly from NICE. In either event the vendor will need to provide the technical service unless NICE desires to use a different subcontractor.**

4 Regarding Item 4.0 Specifications/Requirements: 4.4 – Can an exception be made if the Vendor is not authorized to sell Motorola P25 public safety grade mobile and portable radios (as these are mainly sold direct by Motorola), but the Vendor is a Motorola Authorized Warranty Repair Center?

If Motorola's general practice is to sell P25 radio equipment direct that item may require an addendum to remove the requirement to be able to sell the equipment. I will check to see if an addendum is required to remove that requirement.
