Summertime

We have many fun things to do this summer and projects are continuing all over our city! We will celebrate the Grand Opening and Ribbon Cutting of the new Baptist Health Clinic in Rose City on July 10, hold a groundbreaking for the new Central Fire Station and open Funland in Burns Park. We have many groups working in our neighborhoods to beautify our city. I want to encourage you to get involved with your neighborhood association. I am so proud of our first responders: North Little Rock police officers, firefighters, emergency services and electric department employees do a great job serving and protecting. Thanks for allowing me to be your Mayor. I love North Little Rock and hope you enjoy your family and friends this summer.

Terry C. Hartwick
 Mayor Terry C. Hartwick

Caroline Jones, a sophomore at North Little Rock Center of Excellence, and Georgia King, an eighth grader at North Little Rock Middle School, are both ranked in the top spot for their respective age groups of 16 and 14 and under in the United States Tennis Association Arkansas District rankings. Caroline and Georgia are assets to the Burns Park Tennis Center.

Lieutenant Colonel Betty Anderson

During much of the 250 years that the United States has been a country, women were not allowed to join the military. This changed at the beginning of the 20th century when the Nurse Corp was created in the U.S. Army. Still, women were limited in what they could do in the Army. During WWII, around 350,000 women

served, which included the Women's Army Corp (WAC).

In 1948, President Truman signed the Women's Armed Service Integration Act. With this Act, women in the U.S. military became permanent in most branches. Since that time, women's roles in the military have increased. In the Arkansas National Guard, women could not join until the 1960s, and it was not until the 1970s that their numbers began to increase. During the last three decades, the Arkansas National Guard commissioned its first female Major General and Command Sergeant Major, to include women with combat military occupational specialties (MOS) and more women have been promoted to command positions.

But many women paved the way for these more recent accomplishments. *Women Trailblazers: Groundbreaking History of their Service in the Arkansas National Guard*, covers the women trailblazers in the Arkansas National Guard who dedicated their careers to the organization and continue to do so.

The City of North Little Rock is proud to recognize our very own, Betty Anderson who is featured in this book. Anderson is also featured in *African American Pioneers: Untold Stories* which was also produced by the Arkansas National Guard. Lieutenant Colonel (LTC) Betty Anderson was the first female commander to deploy the 216th military police guard company in the Arkansas Army National Guard to Guantanamo Bay, Cuba in support of the global war on terrorism.

LTC Betty Anderson is the Human Resource Director in the City of North Little Rock, a position she is well equipped. She began her military career in 1985 when she enlisted in the United States Army Reserve

while completing her master's degree. LTC Anderson began her illustrious military career in the Arkansas Army National Guard in 1996, with her first assignment as the Rear Area Security Officer at the 25th Support Detachment in North Little Rock. She continued to blaze trails throughout her career in the Arkansas Army National Guard as:

- Commander of the 216th Military Police Company, West Memphis, Arkansas
- Deployed to Fort Leonard Wood, Missouri in support of "Operation Noble Eagle"
- The first female commander to deploy the 216th Military Police Guard Company to Guantanamo Bay, Cuba in the history of the Arkansas Army National Guard in support of the global war on terrorism.
- Assistant Operations Officer for the 25th Support Center
- Equal Opportunity Advisor for 87th Troop Command
- Adjunct Faculty for Defense Equal Management Institute
- Deployed with the 77th Aviation Brigade as an Equal Opportunity Advisor/Deployable Sexual Assault Response Coordinator in support of Operation Iraqi Freedom Campaign
- Provost Marshal for the Institute Support Unit (ISU), Camp J.T. Robinson, Arkansas
- Selective Service Officer for Joint Force Headquarters Arkansas
- Deputy Commander of the Marksmanship Training Unit Brigade Headquarters, Camp J. T. Robinson, Arkansas

In addition to holding a Master's degree in Public Administration, LTC Anderson has completed a lengthy and impressive list of military education courses which all prepared her for the position she holds today in our city. For her outstanding service, LTC Anderson has been awarded:

- Meritorious Service Medal
- Army Commendation Medal
- Army Reserve Achievement Medal
- National Defense Service Medal
- Armed Forces Service Medal
- Meritorious Unit Commendation
- Army Service Ribbon
- Parachute Badge
- Armed Forces Reserve Medal with "M" Device
- Global War on Terrorism Expeditionary Medal
- Afghanistan Campaign Medal
- Arkansas Service Ribbon
- Arkansas Federal Service Ribbon
- Arkansas Emergency Service Ribbon

Ms. Anderson began her civilian career in 1993 in Human Resources in Jacksonville. In order to gain experience, she went on to work for several other government agencies before landing in North Little Rock in 2001. Hired by former North Little Rock Mayor Patrick Henry Hays, as the Equal Opportunity/Fair Housing Director and in 2008; she was quickly promoted to Human Resources Director in our city. LTC Betty Anderson...a national treasure, part of the team leading North Little Rock to greatness! 

Progress, continuing to grow

Baptist Health Clinic Rose City

We are excited to announce the Grand Opening of Baptist Health Clinic Rose City will be held on Wednesday, July 10 at 11:00am. The new, 6,400 square foot clinic is located at 4200 East Washington Avenue and is a partnership between Baptist Health and the City of North Little Rock. The \$4.3 million clinic was designed by Taggart Architects and built by Alessi Keyes Construction.

Today's Power

The two solar projects are on schedule and both should be online by the end of 2024. The seven megawatts of generation should provide electricity to approximately 1,200 North Little Rock Electric customers. Thanks to Today's Power for partnering with the City of North Little Rock to provide a dependable power source within the North Little Rock footprint that will benefit our city for years to come.

Ace Glass

Ace Glass, an Arkansas company, has almost completed the first phase of building a new manufacturing plant in North Little Rock. In partnership with EPIC Glass Recycling, a nonprofit organization based in Arkansas, and Plastics Recycling, Ace Glass is installing processing equipment to make cullets from collected glass.

NEW FIRE STATIONS

Central Fire Station 1

The new Central Fire Station will be 22,000 square feet that will replace the existing location built in 1962. The new station will be funded by the half cent sales tax passed by North Little Rock voters in 2022. It will be located at the intersection of 13th and Main Streets in North Little Rock which is the site of the old Clendenin school.

Fire Station 11 (Blaze Drive)

One Tennis Academy at Burns Park

Burns Park Tennis Center's One Tennis Academy is the training ground for two North Little Rock residents who have both achieved rankings of #1 in the state. Caroline Jones, a sophomore at North Little Rock Center of Excellence, and Georgia King, an eighth grader at North Little Rock Middle School, are both ranked in the top spot for their respective age groups of 16 and 14 and under in the United States Tennis Association Arkansas District rankings. Jones is a two-time undefeated 6A Central Conference Champion and a finalist at the 6A State and State Overall tournaments. King has played on the North Little Rock Middle School tennis team for the last four years and in the fall of 2024 will team up with Jones for North Little Rock High School as they seek their first state title for girls' Tennis since 1992. We are proud of what these girls have accomplished.

One Tennis Academy at Burns Park Tennis Center is a high-performance academy that trains many of the top ranked players who come from all parts of the state to practice under the direction of coaches Thomas Anderson and Daniel Cornelison. In addition

to the high-performance academy, Burns Park also has a developmental junior tennis academy to develop players of all ages and levels. The Progressive Junior Tennis Academy starts as early as kindergarten and goes through high school age players. Group and private lessons for adults are also available. If you would like more information about the tennis programs at Burns Park, call 501-791-8585 or email Daniel Cornelison at dcornelison@nlr.ar.gov.

Central Arkansas Heart Walk draws crowds in NLR

The 2024 Central Arkansas Heart Walk drew about 1,200 people to North Shore Riverwalk Park the morning of April 27, raising about \$200,000 for the Central Arkansas American Heart Association. Adult survivors were given red or white American Heart Association ball caps, and child survivors wore capes. Arkansas Blue Cross Blue Shield raised the most funds, followed by Dillard's and the Friday, Eldredge & Clark LLP law firm. Alice 107.7's Pool Boy and Heather were emcees. For 100 years, the American Heart Association has saved and improved lives, pioneered scientific discovery and advocated for healthy public policies in communities across the country. These bold moves are fueled by the association's mission to be a relentless force for longer, healthier lives. 

The North Little Rock Animal Shelter Addition and Renovation

The current shelter, built in 1961, is located at 1 Championship Drive in Burns Park. The addition/renovation project will add 900 square feet to the existing structure, and provide two entrances, one for animal control and shelter and another entrance for animal adoptions.

The animal adoption area will include a party room which can be rented. The entire facility will see new flooring and fresh paint. Estimated completion date for the project is November 2024. 

Rebuilding Amboy

On Saturday, March 30th Amboy neighbors gathered at First Freewill Baptist Church for Rebuilding Amboy: a day of reflection, healing and reconstruction after the 2023 tornado. Amboy Neighborhood Association

Jane Shelton (left) and Clara Harlan (right) from First Freewill Baptist Church are pictured at the Rebuilding Amboy event.

President, Samantha Floyd and First Freewill Pastor Mark Stripling welcomed more than 300 neighbors where they enjoyed Boar's Head hot dogs, homemade snacks, games, gardeners, a bounce house, a visit from MEMS, North Little Rock Fire and Police officers and the Easter Bunny! This was an opportunity for neighbors to continue to rebuild and be better neighbors 

Amboy Neighborhood Association board members, Adam Tindall, Director NLR Animal Shelter, and Courtney Jones assist the BOAR'S HEAD team at the Rebuilding Amboy event.

OUR community

Mayor Hartwick was recently awarded the Jim Hinson Spirit of Giving award by Arkansas Enterprises for the Developmentally Disabled (AEDD). This award was given for his continued support of AEDD and lifelong service to the people, businesses and organizations in the community who benefit from his dedication and hard work to ensure the City of North Little Rock remains a prosperous, safe and beautiful place to live. Mayor Hartwick is pictured with Debbie Grooms, the Director of Development at AEDD.

Former North Little Rock City Council member Murry Witcher (middle) is pictured with Kevin and Nita Danaher, members of The Wildcat Foundation, during the 21st Annual Wildcat Foundation Golf Tournament, Becky Witcher Scramble held at Burns Park.

Volunteers work to beautify NLR

Thanks to all of volunteers in our city that participated in the North Little Rock Clean-up last month! Your efforts are so appreciated and needed to keep our city beautiful. A special thanks to Randy Naylor and Ruby Brown for their leadership throughout the year in our city with all clean-up efforts.

Door-to-Door Sales

The City of North Little Rock requires all persons going door-to-door selling a product or service to obtain a permit. If someone comes to your door selling a product and is unable to produce a North Little Rock city-issued photo identification, between the hours of 8:00 a.m. and 4:00 p.m. Monday through Friday, please call the City Clerk's Office at 501-975-8617. If it is after hours or on the weekend, please call the North Little Rock Police Department non-emergency number at 501-758-1234.

Applicants for a permit must fill out an application provided by the city, provide an Arkansas State Police background check, Surety Bond in the applicant's name, no less than \$1,000, passport size photo, \$6

administration fee and \$75 Business/Privilege License fee. Once issued, permits are good for 90 days. Any person found going door-to-door without the proper photo identification issued by the North Little Rock City Clerk will be subject to a citation and court appearance.

The City of North Little Rock requires ALL persons doing business in the city to obtain a City Business/Privilege License as well. Businesses include food trucks, brick and mortar, door-to-door flyers, lawn care, tree trimmers, financial sales, etc.

Please call the City Clerk's Office at 501-975-8617 with any licensing questions.

COMMUNITY GARDENS

The North Little Rock Community Garden Program continues to provide soil, mulch, seeds and on-site technical assistance to participating gardens and urban farms within the city. Our gardeners had a successful early season growing greens and are transitioning to our beloved summer crops; tomatoes, cucumbers, squash, okra and much more! In early April, we offered a public community gleaning opportunity at the Baring Cross Community Garden at 1400 Crutcher Street. This activity was part of a larger event, the Mental Health and Nutrition 5K, hosted by ACTS Ministries in North Little Rock. This site is home to six, high-tunnels, raised beds, several beehives, and much more! Our garden technician, Jeff Titus, led hundreds of volunteers through a garden tour and harvest workshop where participants walked away with bags full of leafy greens. We harvested over 200 pounds of kale, collards, mustards, spinach, lettuce, and more! 

We celebrated the “Bee-Friendly Beekeeper” graduation of students from Ms. Xiomara’s STEAM class at Boone Park Elementary. Lauren Anderson, Chief Executive Officer of Calm & Confidence, a Central Arkansas based beekeeping organization, spent the school year teaching students all about bee behavior, beekeeping, and hive inspections. This new generation of beekeepers are tasked with training the next year of students all about the bees!

In recognition of Arbor Day, Community Garden partnered with the North Little Rock Tree Board and Mayor Terry Hartwick to plant Bartlett Pear trees at the Baring Cross Community Garden. These trees, alongside the ever-growing pecan trees on the property, will be a prolific food source for the community.
