North Little Rock, AR

Dear Mayor Hartwick;

On or around November of 2022, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 703 W. 16th. Street due to the structure being damaged by fire. Officer McEuen posted a "red tag" on the property due it being damaged to the point it was no longer fit for human habitation. Officer McEuen was not contacted by the owner regarding the notice.

On February 17th, 2022, Officer Timothy McEuen posted a Notice of City Council Hearing notice on the structure. While on scene, Officer McEuen spoke with the owner, via telephone, in which he was briefed on the history of the fire's cause. On March 2nd, 2023, Officer McEuen met the owner and her family members for an interior inspection. Officer McEuen was advised the owner was trying to acquire an attorney to assist in pursuing civil action against another property owner whom was possibly responsible for the damage to her residence. The residence is severely damaged and is inhabitable.

The condemnation proceedings were started due to the condition of the house. Owners and/or heirs and all interested parties were given notice of City Council for the June 26th, 2023 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. .

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
