I live at 402 Maple in one of the City Grove Townhomes. The Shelby's have been active in the City Grove POA and participate in group functions. They are diligent to be sure none of their guests disturb any of the home owners. I have had no issue with the Airbnb.
Thank you,
Victoria Campo

I was just wanting to let you know I am the neighbor of 440 Maple Street, Airbnb. The owners of the property are amazing and all their guests have been great. The owner gave us his primary phone number in case we have any issues which we have not. The owner and his wife are very active in our HOA even though it's not their primary residence. I believe the Airbnb is a great addition to our community to bring visitors in and give them a safe place to stay while they're here.thank you.the gates family 436 maple st
