Dear Mayor Hartwick;

This property has been a source of complaints and/or violations since 2019. According to NLR Electric Department there has not been utilities on in the structure since Jan of 2014.

On March 1st, 2023, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 1502 ½ W. Short 17th. Street due to observed conditions of the structure. Officer McEuen observed the structure, which was a secondary structure on the parcel, to be in a dilapidated state.

On March 14th, 2023, Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. To date, the structure is still in the same condition it was when the investigation began.

The condemnation proceedings were started due to the condition of the structure. Owners and/or heirs and all interested parties were given notice of City Council for the July 24th, 2023 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property.

This structure constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
