City Of North Little Rock

Petition For Speed Hump Evaluation Study

Date: 10-24-2023

We, the residents of Sycamore st. Street request the City of North Little Rock Traffic Services to conduct a speed study to determine if the following street satisfies the city adopted requirements for speed hump installation:

Name of affected Street Sycamore st.

Between w 14th st & w 15th st
(Intersections or Addresses)

Note:

1. Study will be conducted ONLY if 75% of the residents (fronting the affected street) support speed hump installation.
2. Speed Humps may be installed ONLY if funding is available and study results indicate that speed hump requirements are met.
3. Please make efforts to obtain signatures of ALL residents on the affected street (whether *for* or *against*).
4. Signature MUST be of the residents of the affected street.
5. Only one signature per household allowed.

Name/Address and phone number of the person representing the affected street: (501)859-3970
Gerson Garcia 1408 sycamore st. NLR Ar. 72114

Return *originals* to: **City Clerk's Office**
Attn: Diane Whitbey
300 Main St.
North Little Rock, AR 72114

Please read carefully before signing:

While speed humps generally reduce vehicle speeds, they may also create other inconveniences such as increased vehicular noise in the vicinity of speed humps. Also, because of spacing requirements, it is possible that a speed hump, associated pavement markings and signage, as well as restricted parking may be installed adjacent to your property.
