North Little Rock, AR 72114

## CR-05 - Goals and Outcomes

### Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

In FY2023, the City assisted low to moderate income persons & families through a variety of public facilities, affordable housing, & public service activities funded by Community Development Block Grant (CDBG) funds & Home Investment Partnership (HOME) funds. Identified priority needs are as follows:

- **Public infrastructure improvements** in low to moderate income areas of the City: funds were allocated to street, drainage & sidewalk improvements in Wards 1, 2, and 3:
  - **Ward 1:** FY2021 & FY2022 funds were committed to a project on Gum Street from W 15th to W. 16th Street. This project began in October 2023 & is scheduled to be completed in Spring of 2024. FY2023 funds were allocated to a Ward 1 project on College Park Street, and the anticipated date to advertise for bids is March 2024, with construction to begin in Spring 2024.
  - **Ward 2:** FY2022 & FY2023 funds were allocated for a Ward 2 project on E 10th Street, which is currently in the design phase. The anticipated date to advertise for bids is Fall 2024.
  - **Ward 3:** FY2022 & FY2023 funds were allocated for Phase 2 of a multi-year project on 49th Street from Parker St to Division St. Work on Phase 2 is scheduled to begin in Spring 2024.
- **Affordable housing** through rehabilitation or development: the City encouraged new development of affordable housing by allocating 90% of its FY2023 HOME funds for use by certified Community Housing Development Organizations (CHDOs).
  - Through the commitment of prior year HOME funds, construction began on two new affordable homes during FY2022. Both of these homes were sold to eligible low-income homebuyers in 2023.
  - The City and its CHDO broke ground on two additional lots in December 2023—these homes are expected to be sold to eligible low-income homebuyers in 2024.
- **Public service activities:**
  - Central Arkansas Area Agency on Aging (dba CareLink) provided its Meals on Wheels service to elderly citizens.
  - North Little Rock Boys & Girls Club Great Futures program provided after school/summer programs for youth at two locations in North Little Rock.
  - River City Ministry's medical program provided prescription & over the counter medications for low income/homeless persons.

Additional projects in FY2023 included:

- **Community Development Block Grant CARES Act (CDBG-CV)**, intended to prepare for and respond to Coronavirus: **\$789,824.00**
  - In FY2022, \$536,274.80 was allocated to a public facility rehabilitation project—replacement of HVAC units at the Hays Senior Center to improve air quality & circulation to prevent the spread of infectious diseases such as COVID-19.
  - Although supply chain issues caused longer than normal wait times for equipment, this project was completed in September 2023 and benefits 3,688 senior citizens who are members of the center.
- **HOME Investment Partnerships American Rescue Plan Program (HOME-ARP)**, which provides funding to HOME PJs to reduce homelessness and increase housing stability across the country: **\$1,200,771.00**
  - A request for proposals was issued in 2023 & in October 2023, City Council approved 2 projects:
    - \$300,000 to River City Ministry for Acquisition of Property for Use as Affordable Rental Housing or Non-Congregate Housing for Qualifying Populations. A property featuring two quadplexes with a total of eight one-bedroom units was identified & this move-in ready property was acquired in January 2024.
    - \$720,656 for the North Little Rock Housing Authority to issue Tenant-Based Rental Assistance for Qualifying Populations.

**Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee’s program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Administration	Administration	CDBG: \$ / HOME: \$	Other	Other	1	1	100.00%	1	1	100.00%

Affordable Housing	Affordable Housing	CDBG: \$ / HOME: \$	Homeowner Housing Added	Household Housing Unit	9	7	77.78%	2	2	100.00%
Public Improvements - Infrastructure/Facilities	Non-Housing Community Development	CDBG: \$	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	12800	17395	135.90%	5415	730	13.48%
Public Services	Homeless Non-Homeless Special Needs Non-Housing Community Development	CDBG: \$	Public service activities other than Low/Moderate Income Housing Benefit	Persons Assisted	4190	5304	126.59%	520	380	73.08%

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

Regarding the priority need for **Public Improvements – Infrastructure and Facilities**, FY2023 CDBG funds in the amount of \$510,000 were equally divided and allocated for one street and drainage improvement project in a low to moderate income area in each of Wards 1, 2, and 3. Due to the high cost of street improvements, each project requires multi-year funding. Rain causes flooding and pooling of water in yards, driveways, and streets, resulting in unsafe conditions for residents, pedestrians and drivers. The projects include repair/replacement of existing underground pipes and installation of additional quantities of underground pipe, culvert, and/or junction boxes. The projects also include the

removal of existing street to sub-grade and installation of new street, inlets, curbs, gutters, driveway aprons, ADA compliant sidewalks, and curb ramps.

To address the identified priority needs of **Affordable Housing – Rehabilitation of Development**, \$365,535 in FY2023 HOME Program funds were allocated to new home construction activities through the CHDO, Pulaski County Neighborhood Alliance for Habitat (PCNAH), to increase the availability of affordable housing stock for low income persons. Utilizing previous HOME Program funds, PCNAH completed two homes in 2023 that were sold to eligible low-income homebuyers, located at 1301 W. 10th Street and 1228 W. 11th Street.

The priority need for **Public Services** for low to moderate income persons was addressed with the FY2023 CDBG allocation of \$67,000 to nonprofit organizations which provide essential services focused on youth, the elderly, and the homeless. In FY2023, CareLink Meals on Wheels provided 4,500 home-delivered meals to 141 senior North Little Rock residents. To date, the Boys and Girls Club has served 201 youth from ages six to eighteen in the areas of Character and Leadership Development, Education and Career Development, Health and Life Skills, along with the Arts, Sports, Fitness, and Recreation. To date, River City Ministry has served 38 clients and provided 111 procedures including bloodwork and writing and filling prescriptions for low income/homeless individuals.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG	HOME
White	2,156	1
Black or African American	1,837	1
Asian	0	0
American Indian or American Native	10	0
Native Hawaiian or Other Pacific Islander	1	0
<b>Total</b>	<b>4,004</b>	<b>2</b>
Hispanic	36	0
Not Hispanic	3,968	0

Table 2 – Table of assistance to racial and ethnic populations by source of funds

### Narrative

The table above displays the race and ethnicity of persons assisted with CDBG-funded public service activities and HOME-funded affordable housing activities. Beneficiaries of public infrastructure street and drainage projects are not tracked by race, and are therefore not included in the numbers shown.

Out of the persons assisted with CDBG funds, there were 173 female heads of household, and 15 individuals who identified as disabled. Some race categories are not listed in the above table--in addition to those listed, there were also 12 individuals who identified as Black/African American & White, along with 15 individuals who identified as Other Multiracial, **for a total of 4,031 individuals assisted.**

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	1,359,312	304,747
HOME	public - federal	779,709	526,597

Table 3 - Resources Made Available

### Narrative

The \$1,359,312 available amount of CDBG funding shown in Table 3 includes the City's FY 2023 allocation of \$670,507 and \$688,805 from previous year grant allocations. Program year 2023 Investments/Expenditures are listed below:

- \$85,355.68 Ward 1: Gum St from W. 15th to W. 16th Drainage/Sidewalk Improvements
- \$11,397.72 Ward 3: 49th Street Drainage/Sidewalk Improvements
- \$25,000.00 Boys and Girls Club Great Futures Program 2022
- \$10,446.48 Boys and Girls Club Great Futures Program 2023
- \$24,001.35 Care Link/Meals on Wheels Program 2022
- \$36,000.00 Care Link/Meals on Wheels Program 2023
- \$6,000.00 River City Medical Program 2022
- \$106,545.80 Planning and Administrative Costs
- **\$304,747.30 TOTAL 2023 CDBG Expenditures**

The \$779,709 available amount of HOME funding shown in Table 3 reflects the City's FY2023 allocation of \$396,150 and \$383,559 from previous years grant allocations.

- \$508,559.60 HOME Program/CHDO Development New Construction
- \$18,036.98 Planning and Administrative Costs
- **\$526,596.58 TOTAL 2023 HOME Expenditures**

For CDBG-CV in FY2023, \$385,748.97 was available from the prior year. 2023 expenditures are as follows:

- \$187,637.30 CDBG-CV HVAC Upgrades/COVID Filtration Systems Project
- \$1,801.87 CDBG-CV Planning and Administrative Costs
- **\$189,439.17 TOTAL 2023 CDBG-CV Expenditures**

**Identify the geographic distribution and location of investments**

<b>Target Area</b>	<b>Planned Percentage of Allocation</b>	<b>Actual Percentage of Allocation</b>	<b>Narrative Description</b>
CDBG ELIGIBLE AREA	76	49	Infrastructure
CITYWIDE	24	51	OTHER

**Table 4 – Identify the geographic distribution and location of investments**

**Narrative**

Planning and Administrative Costs listed above are not included in geographic distribution percentage calculations. Infrastructure improvement projects were targeted to CDBG-eligible low to moderate income areas. On multi-year projects, only funds expended in 2023 were used in calculating above actual allocation percentages. Expended amounts could include previous year allocations. Housing programs were offered citywide to income qualified residents. Public service activities were allocated to nonprofit organizations serving low to moderate income residents citywide.

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

When possible, the City attempts to budget local funds per City ward each year, to be used for street and drainage improvement projects. These local funds were used to jointly fund CDBG public infrastructure activities. Ward 1 funds were committed to the design of the Gum Street project. Ward 2 drainage funds were committed to the E. 10th Street project. Ward 3 drainage funds were committed to Phase 2 of the 49th Street project.

The nonprofit organizations that expended CDBG funding to offer public services in FY2023 offset their costs through funding obtained from other sources, including other grants and fundraising efforts.

HOME matching requirements for the federal fiscal year period were met with donations of appliances and other construction materials to Pulaski County Neighborhood Alliance for Habitat (PCNAH), a Community Housing Development Organization (CHDO), for the development of new affordable housing. Match requirements were also met with banked match funds from previous years.

<b>Fiscal Year Summary – HOME Match</b>	
1. Excess match from prior Federal fiscal year	258,518
2. Match contributed during current Federal fiscal year	5,614
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	264,132
4. Match liability for current Federal fiscal year	54,025
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	210,107

**Table 5 – Fiscal Year Summary - HOME Match Report**

Match Contribution for the Federal Fiscal Year								
Project No. or Other ID	Date of Contribution	Cash (non-Federal sources)	Foregone Taxes, Fees, Charges	Appraised Land/Real Property	Required Infrastructure	Site Preparation, Construction Materials, Donated labor	Bond Financing	Total Match
626 // 1301 W. 10th St	04/13/2023	0	0	0	0	2,807	0	2,807
636 // 1228 W. 11th St	04/13/2023	0	0	0	0	2,807	0	2,807

## CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	2	2
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>2</b>	<b>2</b>

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	2	2
Number of households supported through Rehab of Existing Units	0	0
Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>2</b>	<b>2</b>

Table 12 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

This year's goal for number of households supported through the production of new units was two. Despite ongoing impacts from the COVID pandemic such as staffing shortages, supply shortages, and inflation of construction costs, two new affordable, energy-efficient HOME houses began construction at the end of FY2022, and were completed in June 2023 (1228 W. 11th St) and July 2023 (1301 W. 10th Street).

**Discuss how these outcomes will impact future annual action plans.**

Future annual action plan goals will continue to be estimated based on a review of previous year outcomes and anticipated funding allocations.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	0	0
Low-income	0	2
Moderate-income	0	0
<b>Total</b>	<b>0</b>	<b>2</b>

**Table 13 – Number of Households Served**

**Narrative Information**

No renter-occupied households were assisted with CDBG or HOME housing activity funds in FY2023. In FY2022, NSP1 funds were utilized to demolish Silver City Courts in preparation for the reconstruction of the newly named Holt District Homes at that location, scheduled for completion in 2024. While CDBG or HOME-funded activities did not address renter households in FY2023, the North Little Rock Housing Authority (NLRHA) provided resources through public housing, Section 8 vouchers, and VASH vouchers to address worst-case needs.

Progress made in meeting projected objectives and goals is discussed above. Housing activities are application based, so it was not possible to precisely predict the income categories of the individuals who would contact our office or PCNAH offices during the year for assistance. However, programs were available to assist individuals and households in these income categories.

The Ozark Mission Project played an important role in providing additional assistance toward maintaining affordable housing in the city through their summer rehabilitation programs and the Roofing Project, sponsored by the City of North Little Rock in the amount of \$115,000. 9 roofs were replaced in low to moderate income neighborhoods in FY2023 with funding from the City, along with other home improvement projects such as installation of wheelchair ramps, new handrails, exterior paint jobs, and repair of porches. To date, 2 more roofs are scheduled to be replaced in other low to moderate neighborhoods of the city. Individuals contacting our office for other resources were referred to Increasing Capabilities Access Network (ICAN) for installation of wheelchair ramps, and Central Arkansas Development Council (CADC) for winterization and utility assistance.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of North Little Rock maintained its participation in the local Continuum of Care (CoC) through membership in Central Arkansas Team Care for the Homeless (CATCH). North Little Rock's Community Development Agency Director attended regular meetings of the CATCH membership, which provided opportunities for discussion and consultation regarding coordination of outreach efforts among homeless service and housing providers. On January 24, 2023, the City participated in HUD's count of unsheltered homeless with CATCH. Donations were solicited for items to be provided for the homeless, including toiletries, gloves, and snacks. These essential items were provided to homeless individuals who participated in the count.

The City of North Little Rock continues to utilize a North Little Rock Police Officer as Liaison to the Unsheltered Community. This position assists the unsheltered community by helping connect them to local resources. In October 2023, North Little Rock sponsored an Unsheltered Outreach Fair, which provided a variety of services including haircuts, toiletries and hygiene products, shoes, clothing, food, and assistance with obtaining proper identification.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The City of North Little Rock joined forces with the City of Little Rock and shared the costs of purchasing and renovating a building that opened in 2013 as the Jericho Way Day Resource Center. This day shelter for the homeless provides a centralized location where multiple services, such as case management, housing referrals, job counseling, training, and transportation are coordinated with the goal of transitioning clients out of homelessness.

The City's CDBG strategic plan goals include providing financial assistance to homelessness-related public service activities, but funding is limited. The City's homelessness strategy goals continue to be supported by participation in CATCH membership meetings to collaborate and coordinate with homeless service providers and agencies in addressing the emergency shelter and transitional housing needs of homeless persons, as well as through outreach and support provided by the City's Liaison to the Unsheltered Community.

### **Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections**

**programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The Central Arkansas Continuum of Care continued communications with mainstream service providers to implement strategies for persons being discharged to homelessness. Collaboration among local service providers has built a network of coordinated services to help raise awareness of services and facilitate referrals. The CoC includes organizations which administer homelessness prevention programs.

The City's CHDO, Pulaski County Neighborhood Alliance for Habitat (PCNAH), has worked with homeless service providers in providing opportunities for persons to transition out of homelessness into permanent housing. Two new homebuyer applications were approved in 2023 in anticipation of the construction of two HOME houses in FY2023.

The City continued to allocate local funding to the Ozark Mission Project, a nonprofit organization that provides much-needed repairs to homes in North Little Rock. In FY2023, the funding they received from the City was used for roofing and home improvement projects for low to moderate income residents.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City received \$1,200,771.00 in HOME-ARP funds in 2022. Two projects were approved in 2023: 1) Acquisition of Property for Use as Affordable Rental Housing or Non-Congregate Housing for Qualifying Populations; and 2) Tenant-Based Rental Assistance for Qualifying Populations. In January 2024, a move-in ready property was acquired—this property will add eight one-bedroom units of affordable housing for individuals on the homelessness spectrum. Additionally, TBRA vouchers will be issued in 2024 to facilitate access to affordable housing across the city of North Little Rock for homeless individuals and families. Accomplishments for these projects will be reported in the 2024 CAPER.

The City continued to maintain communication and coordination with our partner agencies in the CATCH membership to more efficiently prioritize and cover all aspects of the Central Arkansas Continuum of Care's homelessness needs. Staff from the cities of North Little Rock, Little Rock, and Jacksonville served on the Rank and Review Committee for applications for annual CoC funding and focused on a combination of qualified programs that provide housing, counseling, and assistance for all categories of homelessness, including chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth.

CATCH continues to work towards streamlining its Coordinated Entry process to make efficient referrals

for the high-priority populations of chronically homeless, veterans, and families with children. Goals include prioritizing permanent housing options in an attempt to bypass shelters when possible. Intake and entry procedures attempt to ensure that homeless individuals and families who need assistance are quickly connected to proper housing and services.

The NLRHA serves homeless veterans through the Veterans Affairs Supportive Housing (VASH) program. Currently, NLRHA has 200 vouchers in its inventory that contribute toward reducing the homeless Veteran population.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

North Little Rock Housing Authority (NLRHA) builds and maintains affordable housing. In addition to housing, the NLRHA identifies and coordinates supportive services, encourages self-sufficiency, and offers upward mobility opportunities to low-income families, veterans, elderly, and disabled persons.

Following years of planning, the authority was able to enter into private/public, nonprofit partnerships to obtain funding for modernization of seven of its properties. In 2019, NLRHA began the transformation of its public housing portfolio to improve the quality of housing being provided. By the end of FY2022, the modernization was complete or substantially complete for six properties. The modernization addressed years of deferred maintenance and updates, due to a lack of funding. In addition, the housing authority implemented their new brand under the DBA “Northbridge Housing Solutions.”

NLRHA will continue modernizing the portfolio through participation in the Rental Assistance Demonstration (RAD) program and the HUD Section 18 process, and other available options including voluntary conversion. While undertaking the modernization process, some tenants are allowed an option of utilizing tenant protection vouchers to relocate to other communities until the modernization is complete. Residents are allowed to return to the remodeled properties.

Additional housing in the NLRHA portfolio includes eighteen (18) scattered site units, six (6) of which were developed with Neighborhood Stabilization Program 2 (NSP2) funds, and the remaining twelve are owned by the NLRHA with non-subsidized funding.

#### Public Housing and Housing Choice Voucher Program Funding:

In FY2023, NLRHA expended more than \$17 million through the housing assistance programs. Of that, roughly \$997,073 was for public housing rental assistance, and \$12,519,205 for voucher rental assistance. The remaining \$4M included CARES expenses for the public housing and HCV Program, maintenance and operations capital expenses, and the Family Self Sufficiency Program.

#### Housing Choice Voucher Program (Section 8):

NLRHA administers a Housing Choice Voucher Program (HCV), commonly known as Section 8, which provides subsidies for rental housing and homeownership. The regular voucher program serves more than 2,100 participants. About 800 vouchers were added to the program when public housing assistance converted to project-based housing vouchers. The completion of Holt District Homes (formerly Silver City Courts) will add an additional 128 units. NLRHA is a partner with the Veterans Administration (VA) in administering 200 vouchers for the HUD-Veterans Affairs Supportive Housing (VASH) program. The VA collaborates with support agencies to ensure that veterans receive wraparound services. Finally, NLRHA entered into an agreement with the City of North Little Rock to administer a tenant based rental assistance program funded through the HOME American Rescue Plan. That program will kick-off early

2024.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Though the NLRHA is converting its portfolio from public housing to a private/nonprofit ownership structure, tenant representation (i.e., resident councils) remains important and viable. HUD requires that the properties continue to acknowledge and set aside funds at each location to assist in training residents for participation in the councils and to help promote activities for the betterment of the developments. In addition to the site-based resident councils, the Resident Advisory Board (RAB) serves as a housing authority-wide resident council. As there is low participation from residents of "family sites," the NLRHA assures all substantial issues are presented to residents and consistently encourages residents to join a resident council and the RAB. The RAB's purpose in conjunction with the resident council is to:

- Respond to resident concerns
- Improve quality of life
- Represent resident interests
- Involve residents in creating a positive living environment

#### Family Self-Sufficiency (FSS) Program:

The NLRHA has administered a Public Housing Family Self-Sufficiency (FSS) program since 2006. The purpose of the program is to link participating families to the supportive services they need to achieve self-sufficiency and move the family to a point of no longer needing public assistance. The Public Housing Family Self-Sufficiency Program provides case management and coordination of supportive services for residents of family sites and the Housing Choice Voucher Program. Participants sign a five-year contract committing to working toward increased levels of self-sufficiency. Upon enrollment, an individual training and service plan is developed with each participant. Escrow accounts are established when a participant's earned income increases. Instead of paying higher rent because of the increased income, the "extra rent" goes into an escrow account.

For FSS participants who enrolled through 2019 and identified homeownership as a goal, the housing authority continues to work with them to become eligible to purchase a home using their voucher. Some of the guidance that FSS participants receive include budgeting and saving, credit counseling services, and the step-by-step process of purchasing a home. Participants are also made aware of state and national down payment assistance programs. For FSS participants enrolled after 2019, the program remains available for the FSS program but without the homeownership option.

### **Actions taken to provide assistance to troubled PHAs**

The NLRHA is not a troubled agency.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

No known negative effects of public policies on affordable housing were identified. Barriers exist that are not public policy related, including declining areas due to aging housing stock and unstable neighborhoods, the need for improved management of properties by homeowners and landlords, and limited land available within the City limits to develop new affordable housing. Inflation and supply chain issues related to the ongoing COVID pandemic continue to impact new construction.

The City's Code Enforcement Department has taken a proactive role in boarding and securing vacant and derelict buildings in order to minimize their negative impact on the surrounding neighborhood, as well as to protect them for future rehabilitation and reuse. The City has been aggressive in condemning and demolishing houses that are an eyesore and potential safety hazard to the community. North Little Rock employs a full-time Code Officer to address City code violations. Additionally, the Street Department's Unit 50 is a full-time litter patrol, which focuses on keeping all areas of the city clear of debris in streets and intersections. In 2023, the City added an additional clean-up unit, Unit 51, to better address issues across all four of the City's wards.

The City continued to support its CHDO, Pulaski County Neighborhood Alliance for Habitat (PCNAH), by providing funding toward its efforts to increase the number of new affordable housing units.

NLRHA made substantial progress in the modernization of six of its eight public housing properties through 2022. The modernization of Silver City Courts began in FY2023 and is scheduled for completion in 2024. Hemlock Courts will be disposed of through disposition and will not be reconstructed at its current location. The NLRHA worked to identify additional opportunities to widen its engagement in numerous revitalization efforts in the city. Specific areas of interest are in North Little Rock neighborhoods where the housing authority owns properties, some of which have not experienced investment in decades.

**Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

A major obstacle to meeting the needs of the underserved is a lack of adequate funding and resources, including program resources, government funding, and declining donations to the nonprofit sector. Additionally, lingering impacts from the COVID-19 pandemic continue to affect nonprofit operations, their delivery of services, and their fundraising, as costs continue to remain higher than pre-pandemic levels.

Feedback and input from our partner organizations, homeless service providers, and agencies

addressing emergency shelter/transitional housing needs of homeless persons were analyzed. The City maintained relationships with nonprofit and housing providers to coordinate efforts. The Community Development Agency continued to support nonprofit human service agencies. Limited resources were targeted for the greatest impact toward neighborhood revitalization.

Resource directories were updated in order to best direct those in need. Citizens were informed of services provided by City departments such as payment assistance for qualified low-income customers of the Electric Department, as well as beneficial programs conducted by other organizations like Central Arkansas Water's Low Income Household Water Assistance Program (LIHWAP), the Ozark Mission Project, and the William F. Laman Public Library. Additionally, the Unsheltered Community page of the City's website maintains a directory of local resources including medical and dental services, housing, employment, transportation, food pantries, and more.

The NLRHA continued to provide affordable housing to those of modest means, along with supportive services through partnerships with local nonprofits/government agencies. NLRHA plans to collaborate with private industry to access Section 3 opportunities for businesses, qualified residents, budding entrepreneurs, women in non-traditional jobs, and apprenticeships.

#### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

The NLRHA complies with HUD's Notice PIH 2017-13 in regard to the minimization and abatement of lead-based paint hazards and elevated blood lead levels (EBLL) of children under age six. Where lead-based paint hazards exist and the NLRHA is made aware of the potential hazards and receives a confirmed case from a medical professional, within five days, the NLRHA will notify the local field office, Office of Lead Hazard Control (OLHCHH) and the Arkansas Health Department's Lead-Based Program. Of the EBLL cases, NLRHA will conduct an environmental investigation within 15 calendar days of receiving notification. NLRHA contracts with a certified company to abate or remove lead-based paint hazards. NLRHA will complete the lead-hazard reduction within 30 calendar days of receiving the environmental investigation report. Furthermore, the FHA will address potential hazards as it prepares for redevelopment and substantial rehabilitation through RAD and Section 18.

#### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

Recognizing that many factors contributing to poverty lie outside of local control, the City's overarching goal for its CDBG and HOME programs is nonetheless to assist persons living in poverty, and especially those groups that are disproportionately affected.

To fight poverty over the long term, the City has worked to stabilize neighborhoods by ensuring that the number of problematic properties were reduced, thereby protecting the value of neighborhood property. Support for Pulaski County Neighborhood Alliance for Habitat's efforts has helped less affluent citizens purchase affordable new homes. Low income and first time homebuyers attempting to rise out of poverty by building equity through home ownership were directed to homebuyer counseling and

down payment/subsidy assistance programs.

CDBG-funded public service activities were geared towards poverty level and low income youth, elderly, and homeless populations. North Little Rock Boys and Girls Club's after school and summer programs, which serve youth from ages 6 to 18, provided essential childcare for working parents. CareLink's Meals on Wheels program delivered nutritious meals to home-bound elderly residents. River City Ministry's medical program provided prescription and OTC medications to low income/homeless individuals. The City's Liaison to the Unsheltered Community helps connect unsheltered individuals with local resources and sponsors a Homeless Outreach Fair, providing services including haircuts, toiletries and hygiene products, shoes, clothing, food, and assistance with obtaining proper identification.

The cities of North Little Rock and Little Rock assisted in funding the Jericho Way Day Resource Center for the homeless. The shelter operates in Little Rock, but serves both cities by providing essential services such as meals, clothing, showers, transportation, and job counseling.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

Cooperation between the City's Community Development Agency and its partners have a long track record of success. The City continues its strategy of working closely with the North Little Rock Housing Authority, local nonprofit public services and affordable housing providers, and private industry to assist in coordination of services and activities offered to address the needs of the community and to make the best use of the limited funding available. The City of North Little Rock continues its active partnership in the Central Arkansas Team Care for the Homeless (CATCH), attending regular meetings to facilitate communication and coordination among key service providers. Additionally, the City continues to fund the Liaison to the Unsheltered position.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The North Little Rock Housing Authority continues to build and expand relationships with private and nonprofit agencies to develop housing and create resident services. Supporting this work is the housing authority's nonprofit affiliate, Arkansas Housing and Community Development Corporation (AHCDC). The PHA will continue to search for opportunities with private developers, national foundations, nonprofits, universities, corporations, state agencies and workforce services. One such relationship is the aforementioned partnership with the City of North Little Rock to administer tenant based rental assistance funded by the HOME ARP.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

Affordable housing and disparate impacts of mortgage lending were identified as impediments. Inflation due to the COVID-19 pandemic continues to be a major concern, and households are severely cost

burdened. Affordable housing for these residents is often limited to older neighborhoods in poor condition. PCNAH makes a positive impact by offering newly-constructed homes with affordable monthly payments, due to its 0% financing program. PCNAH affirmatively markets its program to ensure outreach to minorities, and to assist low income persons. The City's Neighborhood Services department continues its work with over 20 community gardens, increasing access to healthy, affordable, and nutritious food.

Socio-economic impediments were noted, with more jobs paying "living wages" needed. The City's Mayor and Economic Development staff are constantly working to encourage private investment in an effort to add jobs at all levels. In 2023, economic development projects created over \$100,000,000 of capital investment and nearly 500 new jobs in North Little Rock. Noteworthy investments include Lowe's Distribution Center, Safe Foods, and Federal Metals. Additionally, the new Rose City Health Clinic, in partnership with Baptist Health, represents a \$4,000,000 investment in our community with an estimated 20+ jobs, scheduled to open in 2024. This clinic will be the first full-service medical facility in the east part of North Little Rock since 2013.

The Innovation Hub, a nonprofit organization dedicated to improving the lives of Arkansans by inspiring innovation and expanding opportunities, has a state-of-the-art facility located in North Little Rock that offers programs and classes in carpentry, welding, graphic design, and more. Their Skills to Launch program, in partnership with the University of Arkansas Pulaski Technical College and the State of Arkansas Office of Skills Development, is a 10-week intensive course for individuals 18 and older that provides skills training in a variety of trades, including industrial maintenance, commercial printing, construction, production welding, and HVAC. This program provides valuable job training and equips trainees with the technical and soft skills needed to be successful in today's workforce.

Another impediment noted was the need for greater public awareness of Fair Housing. The city supported outreach and education through posters and brochures and the direction of complaints to the appropriate HUD offices. Assistance was offered on all Citizen Participation activities to non-English speaking citizens and those with disabilities.

North Little Rock Housing Authority's actions included:

1. Utilizing HUD's RAD and Section 18 development programs, NLRHA completed six of its eight public housing projects. The redevelopment lessens the risk of subpar housing and provides residents with a higher quality of life and impacted low-income communities.
2. Ensuring that NLRHA staff remains informed about and adheres to policies related to fair housing practices, NLRHA continues to commit to ongoing training, fostering partnerships and cultivating new ones that champion the need for affordable homes in economically developing and existing neighborhoods that speak to potential and current gentrification.
3. All regular staff participated in at least 1 day of Fair Housing Training. New staff is scheduled for training within 180 days of onboarding.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City of North Little Rock monitors its CDBG and HOME programs to ensure compliance with HUD regulations and attainment of Consolidated Plan goals. Annual Action Plan activities are set up and progress and accomplishments are tracked in HUD's Integrated Disbursement and Information System (IDIS). IDIS reports are run regularly and reconciled against City Finance department records to facilitate ongoing review of activity expenditures.

During the program year, the City conducts desk monitoring and schedules on-site monitoring visits with subrecipients. This monitoring reviews program performance, financial performance, and regulatory performance. Subrecipients are required to submit information regarding the beneficiaries they have served.

The City of North Little Rock has a long-standing policy of assuring that affirmative marketing practices are undertaken, and those policies continue. Participation of minority, disadvantaged, and woman owned business enterprises is encouraged in the City's procurement process. Subrecipient agreements require submission of affirmative marketing plans. City records are maintained and subrecipient data is collected on the dollar amount and number of contracts executed with minority and woman business enterprises, which is reflected in section CR-15 of this CAPER.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The City of North Little Rock considers citizen participation a priority and continues to encourage input from our residents, particularly those who reside in low to moderate income areas. Notice of a 15-day public comment period on the CAPER was published in the newspaper on March 10, 2024 and was posted on the City website. The CAPER was posted for public review on the City website, and copies were available at City Hall and at the Community Development Agency. Additionally, notice was mailed to the North Little Rock Housing Authority, neighborhood groups, and local nonprofit agencies that provide services to low to moderate income households and individuals, including minorities, disabled,

and non-English speaking persons, in an effort to provide notice and an opportunity for comment to all citizens.

## **CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

Due to the high cost of street improvements, each project requires multiple years of funding. Additionally, ongoing impacts of the COVID-19 pandemic include increased cost of material and labor in the construction industry, resulting in higher expenses to complete each infrastructure project. There were delays with infrastructure projects in FY2023 due to utility lines on site that required relocation, but City Engineers have coordinated this effort with local utility providers to ensure that projects will continue to move forward as scheduled. Additionally, the City has made progress with the completion of two new HOME houses, adding much-needed affordable housing to our community. Overall, the City is satisfied with the performance and accomplishments of its program year 2023 CDBG activities.

The City does not have an existing Section 108 guaranteed loan.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

## **CR-50 - HOME 24 CFR 91.520(d)**

### **Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations**

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

No rental housing was assisted under the City's HOME Program.

### **Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)**

The HOME program requires that affirmative marketing steps are taken by participating jurisdictions when using HOME funds for rental and homebuyer projects. Affirmative marketing steps consist of actions to provide information and attract eligible persons in the housing market to available housing without regard to race, color, national origin, sex, religion, familial status or disability.

Subrecipient agreements require that nonprofit applicants submit an affirmative marketing plan. The City reviews affirmative marketing practices and activities.

Although no rental housing was assisted, the City's FY2023 HOME program allocated funding for homebuyer activities to its CHDO, Pulaski County Neighborhood Alliance for Habitat (PCNAH). Coverage of PCNAH/Habitat for Humanity activities was featured in local media and on social media. PCNAH/Habitat for Humanity makes presentations to community groups, civic and business groups, and city/county officials to emphasize the need for low income housing, as well as to share information on PCNAH's commitment to fair housing practices and inclusiveness in all operations. Volunteers are actively involved in PCNAH/Habitat for Humanity and are solicited from all walks of life through churches, businesses, civic groups, women's organizations, retirees, etc. PCNAH/Habitat for Humanity families are diverse, representing many ethnicities, employment backgrounds, and family structures.

### **Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics**

No program income was received by the City from HOME projects.

### **Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)**

Priority needs of adding affordable housing units for low income households and increasing homeownership in neighborhoods to strengthen and revitalize areas were identified in the City's Consolidated Plan. Funding for new unit production was allocated through the use of HOME funds designated for development of affordable homes by its CHDO. PCNAH broke ground on two new affordable homes in FY2023, with expected completion in mid-2024.

## CR-58 – Section 3

Identify the number of individuals assisted and the types of assistance provided

<b>Total Labor Hours</b>	<b>CDBG</b>	<b>HOME</b>	<b>ESG</b>	<b>HOPWA</b>	<b>HTF</b>
Total Number of Activities	1	2	0	0	0
Total Labor Hours	160	2,324			
Total Section 3 Worker Hours	0	0			
Total Targeted Section 3 Worker Hours	0	0			

**Table 14 – Total Labor Hours**

<b>Qualitative Efforts - Number of Activities by Program</b>	<b>CDBG</b>	<b>HOME</b>	<b>ESG</b>	<b>HOPWA</b>	<b>HTF</b>
Outreach efforts to generate job applicants who are Public Housing Targeted Workers					
Outreach efforts to generate job applicants who are Other Funding Targeted Workers.					
Direct, on-the job training (including apprenticeships).					
Indirect training such as arranging for, contracting for, or paying tuition for, off-site training.					
Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).					
Outreach efforts to identify and secure bids from Section 3 business concerns.	1	2			
Technical assistance to help Section 3 business concerns understand and bid on contracts.					
Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns.					
Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities, connecting residents to job placement services.					
Held one or more job fairs.					
Provided or connected residents with supportive services that can provide direct services or referrals.					
Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clothing, uniforms, test fees, transportation.					
Assisted residents with finding child care.					
Assisted residents to apply for, or attend community college or a four year educational institution.					
Assisted residents to apply for, or attend vocational/technical training.					
Assisted residents to obtain financial literacy training and/or coaching.					
Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.					
Provided or connected residents with training on computer use or online technologies.					
Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses.					
Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.					

Other.	1	2			
--------	---	---	--	--	--

**Table 15 – Qualitative Efforts - Number of Activities by Program**

**Narrative**

Qualitative Efforts to attract Section 3 workers included:

- 1) Outreach efforts to identify and secure bids from Section 3 business concerns; and
- 2) Incorporating Section 3 clause into contracts

**PART I: SUMMARY OF CDBG-CV RESOURCES**

01 CDBG-CV GRANT	789,824.00
02 FUNDS RETURNED TO THE LINE-OF-CREDIT	0.00
03 FUNDS RETURNED TO THE LOCAL CDBG ACCOUNT	0.00
04 TOTAL CDBG-CV FUNDS AWARDED	789,824.00

**PART II: SUMMARY OF CDBG-CV EXPENDITURES**

05 DISBURSEMENTS OTHER THAN SECTION 108 REPAYMENTS AND PLANNING/ADMINISTRATION	569,866.30
06 DISBURSED IN IDIS FOR PLANNING/ADMINISTRATION	23,647.90
07 DISBURSED IN IDIS FOR SECTION 108 REPAYMENTS	0.00
08 TOTAL EXPENDITURES (SUM, LINES 05 - 07)	593,514.20
09 UNEXPENDED BALANCE (LINE 04 - LINE8 )	196,309.80

**PART III: LOWMOD BENEFIT FOR THE CDBG-CV GRANT**

10 EXPENDED FOR LOW/MOD HOUSING IN SPECIAL AREAS	0.00
11 EXPENDED FOR LOW/MOD MULTI-UNIT HOUSING	0.00
12 DISBURSED FOR OTHER LOW/MOD ACTIVITIES	569,866.30
13 TOTAL LOW/MOD CREDIT (SUM, LINES 10 - 12)	569,866.30
14 AMOUNT SUBJECT TO LOW/MOD BENEFIT (LINE 05)	569,866.30
15 PERCENT LOW/MOD CREDIT (LINE 13/LINE 14)	100.00%

**PART IV: PUBLIC SERVICE (PS) CALCULATIONS**

16 DISBURSED IN IDIS FOR PUBLIC SERVICES	0.00
17 CDBG-CV GRANT	789,824.00
18 PERCENT OF FUNDS DISBURSED FOR PS ACTIVITIES (LINE 16/LINE 17)	0.00%

**PART V: PLANNING AND ADMINISTRATION (PA) CAP**

19 DISBURSED IN IDIS FOR PLANNING/ADMINISTRATION	23,909.28
20 CDBG-CV GRANT	789,824.00
21 PERCENT OF FUNDS DISBURSED FOR PA ACTIVITIES (LINE 19/LINE 20)	3.03%

REPORT FOR CPD PROGRAM CDBG, HESG, HOME, HOME-ARP, HOPWA, HOPWA-C, HTF  
 PGM YR 2023

Section 3 Total By Program	CDBG
Total Number of Activities	1
Total Labor Hours	160
Section 3 Worker Hours	0
Targeted Section 3 Worker Hours	0
<b>Qualitative Efforts</b>	
A Outreach efforts to generate job applicants who are Public Housing Targeted Workers	0
B Outreach efforts to generate job applicants who are Other Funding Targeted Workers	0
C Direct, on-the job training (including apprenticeships)	0
D Indirect training such as arranging for, contracting for, or paying tuition for, off-site training	0
E Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching)	0
F Outreach efforts to identify and secure bids from Section 3 business concerns	1
G Technical assistance to help Section 3 business concerns understand and bid on contracts	0
H Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns	0
I Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities, connecting residents to job placement services	0
J Held one or more job fairs	0
K Provided or connected residents with supportive services that can provide direct services or referrals	0
L Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clothing, uniforms, test fees, transportation	0
M Assisted residents with finding child care	0
N Assisted residents to apply for/or attend community college or a four year educational institution	0
O Assisted residents to apply for or attend vocational/technical training	0
P Assisted residents to obtain financial literacy training and/or coaching	0
Q Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns	0
R Provided or connected residents with training on computer use or online technologies	0
S Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses	0
T Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity Act	0
