The ULCS work week is Sunday through Saturday. S/T rate applies to the first 40 hours of each work week; except as noted.			
Hours over 40 will be invoiced at O/T rates.			
All Sunday hours will be invoiced at O/T rates unless part of contractors alternate work schedule. These hours will count towards the first 40 hours of the week accumulation.			
All Holiday hours will be invoiced at D/T rates unless part of contractors alternate work schedule. These hours will count towards the first 40 hours of the week accumulation.			
Equipment will be invoiced at the same number of hours as the crew each day/week when such equipment is on-site, at designated location, in working condition and available for use to the responsible crew.			
Non-billable/integral crew trailers applies to pole, material/utility and tool trailers only.
