Re: 905 N. F Street
Lot: 10 Block: 17 Sub: Dixie Sub
City of North Little Rock, AR

Owners: Krista McLeod
Milton, FL

Dear Mayor Hartwick;

On or around May 15th, 2023, North Little Rock Code Enforcement Officer Cedrick Williams began an investigation into 905 N. F Street due to the structure being damaged by fire. Officer Williams posted a "red tag" on the structure due to it being damaged to the point it was no longer fit for human habitation. Officer Williams sent notification to all know owners, but he was never contacted regarding this incident.

On November 1st, 2023, North Little Rock Code Enforcement Officer Timothy McEuen was assigned the investigation for condemnation proceedings. Officer McEuen located an open/unsecured door so he performed an interior and exterior inspection. The residence is still in an inhabitable state, and there have been no permits acquired to rehabilitate the structure. Officer McEuen posted a **Notice of City Council Hearing** on the property, and as of this date, had not been contacted by the owner.

The condemnation proceedings were initiated due to the condition of the structure. Owners and/or heirs and all interested parties were given notice of City Council for the February 26th, 2024 hearing date. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property. .

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
