City Of North Little Rock

Petition For Speed Hump Evaluation Study

Date: 11-17-23

We, the residents of NLR/Lake wood Street request the City of North Little Rock Traffic Services to conduct a speed study to determine if the following street satisfies the city adopted requirements for speed hump installation:

Name of affected Street CORN W 113⁰ NLR, AR 72116

Between MONTICELLO DR & MT VERNON DR NLR
(Intersections or Addresses) 72116

Note:

1. Study will be conducted ONLY if 75% of the residents (fronting the affected street) support speed hump installation.
2. Speed Humps may be installed ONLY if funding is available and study results indicate that speed hump requirements are met.
3. Please make efforts to obtain signatures of ALL residents on the affected street (whether for or against).
4. Signature MUST be of the residents of the affected street.
5. Only one signature per household allowed.

Name/Address and phone number of the person representing the affected street: _____

Charles Eddie Duffee 4001 Mt Vernon Dr
NLR, AR 72116

Return *originals* to: **City Clerk's Office**
Attn: Diane Whitbey
300 Main St.
North Little Rock, AR 72114

501 352-1698

Please read carefully before signing:

While speed humps generally reduce vehicle speeds, they may also create other inconveniences such as increased vehicular noise in the vicinity of speed humps. Also, because of spacing requirements, it is possible that a speed hump, associated pavement markings and signage, as well as restricted parking may be installed adjacent to your property.
