

RESOLUTION NO. _____

A RESOLUTION WAIVING FORMAL BIDDING REQUIREMENTS FOR COMPREHENSIVE LOSS AND BUSINESS INTERRUPTION INSURANCE FOR THE MURRAY HYDROELECTRIC PLANT; AUTHORIZING THE MAYOR TO EXECUTE AN INSURANCE AGREEMENT; AND FOR OTHER PURPOSES.

WHEREAS, Ark. Code Ann. § 14-58-303 requires City purchases exceeding the amount of \$35,000 to follow statutory procedures of local advertisement and opening of sealed bids which may only be waived in exceptional situations where bidding is deemed not feasible or practical; and

WHEREAS, insurance coverage for the Murray Hydroelectric Plant (“Hydro Plant”) is specialized coverage, and the City Council has determined through experience that the statutory bidding process does not produce economically advantageous prices for insurance on the Murray Hydroelectric Plant; and

WHEREAS, City Council thus defined “insurance consultant” to be a professional service under Ark. Code Ann. § 19-11-801, et seq. through the adoption of Ord. No. 8405 on January 9, 2012; and

WHEREAS, the City selected Mr. Eric Herget to serve as insurance consultant, and as required by Ord. No. 8405, Mr. Herget has disclosed that he is currently employed by Hub International; and

WHEREAS, Mr. Herget has solicited providers of hydroelectric insurance to find the rates most favorable to the City and recommends insurance provided by Lloyds at a maximum cost of \$390,000.00, which may be reduced in negotiations (see Proposal attached hereto as Exhibit A); and

WHEREAS, Mr. Herget recommended the proposal of Lloyds because its proposal was the lowest bid submitted that included sufficient flood coverage for the Hydro Plant; and

WHEREAS, it is in the best interests of the City to accept the proposal of Lloyds to insure the City’s interests in the Murray Hydroelectric Plant.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NORTH LITTLE ROCK, ARKANSAS:

SECTION 1: That formal bidding is hereby waived, and the Mayor and City Clerk are hereby authorized to enter into an agreement for comprehensive loss and business interruption insurance coverage for the Murray Hydroelectric Plant with Hub International pursuant to the insurance proposal attached hereto as Exhibit A with Lloyds as the provider.

SECTION 2: That the annual premium in the amount not to exceed \$390,000.00 has previously been included in the North Little Rock Electric Department's budget for 2024.

SECTION 3: That the provisions of this Resolution are hereby declared to be severable, and if any section, phrase or provision shall be declared or held invalid, such invalidity shall not affect the remainder of the sections, phrases or provisions.

SECTION 4: That this Resolution shall be in full force and effect from and after its passage and approval.

HUB International's Workforce Productivity Casualty practice uses a holistic approach which provides a panoramic view of your organization as it relates to absenteeism and productivity in the workforce.

CLAIM CONSULTING

Our consultants have broad claim knowledge and experience with a variety of medical, litigation, and coverage issues.

Services Include:

- Disability Management Program Design
- Claim Data Analysis
- Employer Claim Management Practices
- Medical Case Management Program Design
- Claim Audits
- Claim Review
- Reserve Analysis
- Third Party Administrator (TPA) Selection
- Settlement Evaluation
- Coverage Disputes
- Litigation Management
- Subrogation/Second Injury Fund Recoveries
- Claim reporting guidance
If you experience a loss, you can count on HUB to be your advocate in the claims management process.

OVERVIEW OF THE Risk Services Division

Risk Services Expertise

As a leading provider of risk management services, the HUB Risk Services Division partners with clients to work towards two common goals:

1. **Reduce a client's Total Cost of Risk (TCOR)**
2. **Make clients more resilient to losses and operational disruptions**

With experts in all functional areas and over 100 industries, our team has the proven knowledge and experience to assist clients in identifying current and potential risks, and implementing controls to reduce exposure to loss, improve productivity. In addition, we partner with clients to create claims management processes and address claim issues, should they occur.

Consulting Methodology & Approach

Our consulting approach is designed to be timely, result-oriented, and focused where it counts most -- minimizing hazardous exposures and claims:

1. **Identify exposures, hazards, and losses**
2. **Evaluate current controls**
3. **Develop solutions**
4. **Implement solutions**
5. **Perform on-going measurement and evaluation**
