Dear Mayor Hartwick;

On November 1st, 2023, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 2206 Parkway Drive due to observed conditions of the structure and the littered grounds. Officer McEuen located an open/unsecured door, and verified the structure was vacant. Officer McEuen performed an interior and exterior inspection to where he observed major damage to the walls, flooring, roofing, siding, soffit, and fascia. The property is littered with trash, junk, and clutter as well.

On November 8th, 2023, Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. To date, the property is still in the same condition it was when the investigation began.

The condemnation proceedings were started due to the condition of the structure. Owners and/or heirs and all interested parties were given notice for the City Council hearing for February 26th, 2024. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
