Re: 1701/1705 Moss Street

Little Rock, AR

Dear Mayor Hartwick;

On August 15th, 2023, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 1705 Moss Street due to observed conditions of the structures and due to the grounds being littered with trash, junk, and clutter. This property is known as the NLR Mini Storage. The storage facility is un-manned and is not maintained by the owner/management. The storage units containing possessions have been damaged and accessed by unknown persons. Unsheltered persons have been found living in the open storage units. With the noted observed issues, this property is a public nuisance.

On September 6th, 2023, Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. To date, the property is still in the same condition it was when the investigation began.

The condemnation proceedings were started due to the condition of the property. Owners and/or heirs and all interested parties were given notice for the City Council hearing for February 26th, 2024. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
