Dear Mayor Hartwick;

This property has been a source of violations since 2016, Code Enforcement has been in and out of court with Mr. Tate for several years trying to help him get his properties into compliance. We continue to address tall grass, inoperable vehicles at this site the structure also remains unsecured.

On April 29th, 2024 North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 208 W. 14th. due to observed conditions of a secondary structure at this location. Officer McEuen verified the structure was vacant so he performed an exterior inspection. Officer McEuen observed damage to the roofing, siding, soffit, and fascia. With the observed damage, this structure is unfit for human occupancy.

Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. To date, the property is still in the same condition it was when the investigation began.

The condemnation proceedings were started due to the condition of the structure. Owners and/or heirs and all interested parties were given notice for the City Council hearing for August 26th, 2024. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
