

City Beautiful Commission Meeting Minutes
November 19, 2024 1:30 PM Neighborhood Services Office

Guests Attending: Youlanda Howard, Rodney L. Cotton – Ashley Downs POA

Members Attending: Gayle Fisher, Bubba Earnhart, Stephen Hart, Betsy Davies, Susan Langley

Staff Attending: Dan Scott

The meeting came to order at 1:30 PM. A quorum was present.

An application from the Ashley Downs Property Owners Association requesting \$5000 for beautification of entrances to Ashley Downs neighborhood was discussed. The application was short on the required match. Apparently ADPOA had underestimated the volunteer hours the project would require and so was \$2436.8 short of the \$5000.00 required match. After discussion, ADPOA was allowed to submit a corrected application showing 40 people at 10 hours each for a total match of \$8544.00.

Betsy Davies moved that the amended application for \$ 5000.00 be approved as submitted. Stephen Hart seconded the motion and it passed unanimously.

The Commission then discussed a “Love Your Block” program. Members suggested a need for more outreach to neighborhoods and requested that an article be put in the next Proud Magazine about the Commission.

The Commission then discussed the possibility of the city reviewing Conditional and Special Use rezonings to ensure compliance with requirements.

The meeting adjourned at 2:45 PM.
