Re: 812 W. 24th, Street

Dear Mayor Hartwick;

North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 812 W. 24th. Street due to consistent issues with junk, trash, clutter, and unsheltered persons in the structure. Officer McEuen arrived on scene and observed visible damage to the roofing, siding, soffit, and fascia. Officer McEuen performed an exterior inspection where he observed further issues.

On December 20th, 2024, Officer McEuen acquired an administrative search warrant, and was assisted by the North Little Police Department in performing an interior inspection of the structure. Officer McEuen verified prior to acquiring the warrant that there have not been any electrical or water utilities at the residence since March of 2023.

The Police Department located two subjects in the residence in which they advised them to leave. Officer McEuen observed the interior was in disarray with junk, trash, and clutter. Officer McEuen observed damaged ceiling, walls, and flooring. NLR Code Maintenance secured the structure to the best of their ability, but follow up inspection have revealed unknown persons have re-entered the structure due to the doors being open. With the observed damage and nuisance issues, this structure is unfit for human habitation.

Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. To date, the property is still in the same condition it was when the investigation began.

The condemnation proceedings were started due to the condition of the structure. Owners and/or heirs and all interested parties were given notice for the City Council hearing for April 28th, 2025. Notices were mailed by certified and regular mail, legal notice ran in the newspaper, and were also posted on the property.

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
