Guests Attending: Kent Walker with the Park Hill Business Association

Staff: Dan Scott

The meeting came to order at 1:30 PM. A quorum was present.

The Park Hill BMA request was discussed. The request is for \$3000 for public art in Park Hill. Concrete barriers left by the Jump Start program construction will be painted. This initial application covers the East side of JFK Blvd from A to H Streets. The West side of JFK will wait until the concrete on that side has cured. Susan Langley moved that the application be approved as submitted. Betsy Davies seconded the motion and it passed unanimously.

In the December 2024 meeting the Commission expressed interest in allocating \$ 6000 for painting electrical and traffic boxes in neighborhoods outside of Argenta and MidCity neighborhoods. The money would be allocated to the Argenta Downtown Council because of their experience in running that program. Stephen Hart moved to allocate \$ 6000 to the ADC for that program. Susan Langley seconded the motion and it passed unanimously.

A request from the Cypress Crossing Property Owners Association was discussed. The request is for \$ 2240 for lantanas, boulders, and decorative lighting for the entrance to Cypress Crossing. Susan Langley moved that the application be approved. Betsy Davies seconded the motion and it passed unanimously. Stephen Hart abstained from voting.

The meeting adjourned at 1:55 PM.
