Re: 813 N. F Street

Dear Mayor Hartwick;

On June 3rd, 2025, North Little Rock Code Enforcement Officer Timothy McEuen began an investigation into 813 N. F Street due to observed exterior conditions of the structure. On the exterior, Officer McEuen observed damaged siding, soffit and fascia boards, and some roof damage. From his observations, Officer McEuen determined the structure is in an uninhabitable state.

Officer McEuen posted a *Notice of City Council* hearing on the property, and mailed them out to all known owners and heirs. To date, the property is still in the same condition it was when the investigation began and no permits have been acquired for repairs. An administrative warrant was acquire and an interior inspection was performed. There was major damage to the ceilings, walls, and the flooring making this structure uninhabitable.

The condemnation proceedings were initiated due to the uninhabitable condition of the structure. Owners and/or heirs and all interested parties were given a notice for the City Council hearing for October 27th, 2025 and were also posted on the property. .

This property constitutes a public nuisance; it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.

Timothy McEuen
Code Enforcement Officer
